4 unless the context clearly requires otherwise.

5       (1) "Affiliate of a declarant" means any person who controls, is  
6 controlled by, or is under common control with a declarant. For  
7 purposes of this subsection:

31 person.

32       (c) Control does not exist if the powers described in this  
33 subsection (1) are held solely as security for an obligation and are  
34 not exercised.

35       (2) "Allocated interests" means the following interests allocated  
36 to each unit:

37       (a) In a condominium, the undivided interest in the common  
38 elements, the common expense liability, and votes in the association;

39       (b) In a cooperative, the common expense liability, the ownership  
40 interest, and votes in the association; and

1 (c) In a plat community and miscellaneous community, the common  
2 expense liability and the votes in the association, and also the  
3 undivided interest in the common elements if owned in common by the  
4 unit owners rather than an association.

5 (3) "Assessment" means all sums chargeable by the association  
6 against a unit, including any assessments levied pursuant to RCW

28 community that is owned or leased either by the association or in  
29 common by the unit owners rather than an association; and

3 ownership of a unit, is obligated to pay for a share of real estate  
4 taxes, insurance premiums, maintenance, or improvement of, or  
5 services or other expenses related to, common elements, other units,  
6 or other real estate described in the declaration. "Common interest  
7 community" does not include an arrangement described in RCW 64.90.110  
8 or 64.90.115. A common interest community may be a part of another  
9 common interest community.

10 (11) "Condominium" means a common interest community in which  
11 portions of the real estate are designated for separate ownership and  
12 the remainder of the real estate is designated for common ownership  
13 solely by the owners of those portions. A common interest community  
14 is not a condominium unless the undivided interests in the common  
15 elements are vested in the unit owners.

16 (12) "Condominium notice" means the notice given to tenants  
17 pursuant to subsection (13)(c) of this section.

18 (13)(a) "Conversion building" means a building:

25 whichever event occurred first; or

26 (ii) That at any time within the 12 months preceding the first

30 of a declarant or dealer, was lawfully occupied wholly or partially  
31 by a tenant or subtenant for residential purposes pursuant to a

34 agreement or lawfully taking occupancy, whichever event occurred  
35 first.

36 (b) A building in a common interest community is a conversion  
37 building only if:

38 (i) The building contains more than two attached dwelling units  
39 as defined in RCW 64.55.010(1); and

1 (ii) Acceptance of an agreement to convey, or conveyance of, any  
2 unit in the building to any person who was not a declarant or dealer,  
3 or affiliate of a declarant or dealer, did not occur prior to July 1,  
4 2018.

5 (c) The notice referred to in (a)(i) and (ii) of this subsection  
6 must be in writing and must state: "The unit you will be occupying  
7 is, or may become, part of a common interest community and subject to  
8 sale."

9 (14) "Convey" or "conveyance" means, with respect to a unit, any

15 (15) "Cooperative" means a common interest community in which the  
16 real estate is owned by an association, each member of which is  
17 entitled by virtue of the member's ownership interest in the  
18 association and by a proprietary lease to exclusive possession of a  
19 unit.

20 (16) "Dealer" means a person who, together with such person's  
21 affiliates, owns or has a right to acquire either six or more units  
22 in a common interest community or 50 percent or more of the units in  
23 a common interest community containing more than two units.

24 (17) "Declarant" means:

25 (a) Any person who executes as declarant a declaration;

26 (b) Any person who reserves or succeeds to any special declarant  
27 right in a declaration;

28 (c) Any person who exercises special declarant rights or to whom  
29 special declarant rights are transferred of record. The holding or  
30 exercise of rights to maintain sales offices, signs advertising the  
31 common interest community, and models, and related right of access,  
32 does not confer the status of being a declarant; or

33 (d) Any person who is the owner of a fee interest in the real  
34 estate that is subjected to the declaration at the time of the  
35 recording of an instrument pursuant to RCW 64.90.425 and who directly  
36 or through one or more affiliates is materially involved in the  
37 construction, marketing, or sale of units in the common interest  
38 community created by the recording of the instrument.

39 (18) "Declarant control" means the right of the declarant or  
40 persons designated by the declarant to appoint or remove any officer

1 or board member of the association or to veto or approve a proposed  
2 action of any board or association, pursuant to RCW 64.90.415(1) (a).

3 (19) "Declaration" means the instrument, however denominated,  
4 that creates a common interest community, including any amendments to  
5 the instrument.

6 (20) "Development rights" means any right or combination of  
7 rights reserved by a declarant in the declaration to:

8 (a) Add real estate or improvements to a common interest  
9 community;

10 (b) Create units, common elements, or limited common elements  
11 within a common interest community;

12 (c) Subdivide or combine units or convert units into common  
13 elements;

32 (25) "Foreclosure" means a statutory forfeiture or a judicial or

36 achieving 100 percent fully funded reserves by the end of the 30-year  
37 study period described under RCW 64.90.550, in which the reserve  
38 account balance equals the sum of the estimated costs required to  
39 maintain, repair, or replace the deteriorated portions of all reserve  
40 components.

1 (27) "Fully funded balance" means the current value of the  
2 deteriorated portion, not the total replacement value, of all the  
3 reserve components. The fully funded balance for each reserve  
4 component is calculated by multiplying the current replacement cost  
5 of that reserve component by its effective age, then dividing the  
6 result by that reserve component's useful life. The sum total of all  
7 reserve components' fully funded balances is the association's fully  
8 funded balance.

9 (28) "Governing documents" means the organizational documents,  
10 map, declaration, rules, or other written instrument by which the

22 elements allocated by the declaration or by operation of RCW  
23 64.90.210 (1)(b) or (3) for the exclusive use of one or more, but  
24 fewer than all, of the unit owners.

25 (32) "Map" means: (a) With respect to a plat community, the plat

28 miscellaneous community, a map prepared in accordance with the  
29 requirements of RCW 64.90.245.

30 (33) "Master association" means:

31 (a) A unit owners association that serves more than one common

11 bylaws, and limited liability company or partnership agreement.

12 (37) "Person" means an individual, corporation, business trust,  
13 estate, the trustee or beneficiary of a trust that is not a business  
14 trust, partnership, limited liability company, association, joint  
15 venture, public corporation, government, or governmental subdivision,  
16 agency, or instrumentality, or any other legal entity.

17 (38) "Plat community" means a common interest community in which  
18 units have been created by subdivision or short subdivision as both  
19 are defined in RCW 58.17.020 and in which the boundaries of units are  
20 established pursuant to chapter 58.17 RCW.

21 (39) "Proprietary lease" means a written and recordable lease

37 other improvements and interests that by custom, usage, or law pass  
38 with a conveyance of land though not described in the contract of  
39 sale or instrument of conveyance. "Real estate" includes parcels with

1 or without upper or lower boundaries and spaces that may be filled  
2 with air or water.

3 (43) "Real estate contract" has the same meaning as defined in  
4 RCW 61.30.010.

5 (44) "Record," when used as a noun, means information inscribed  
6 on a tangible medium or contained in an electronic transmission.

22       **Sec. 9.** RCW 64.90.300 and 2024 c 321 s 203 are each amended to  
23 read as follows:

24       (1) A declaration may:

25       (a) Delegate a power under RCW 64.90.405(~~((1))~~) from the unit  
26 owners association to a master association;

27       (b) Provide for exercise of the powers under RCW 64.90.405(~~((1))~~)

29 association for the common interest community; and

30       (c) Reserve a special declarant right to make the common interest  
31 community subject to a master association.

32       (2) All provisions of this chapter applicable to unit owners  
33 associations apply to the master association, except as modified by  
34 this section.

35       (3) A unit owners association may delegate a power under RCW  
36 64.90.405(~~((1))~~) to a master association without amending the  
37 declaration. The board of the unit owners association shall give  
38 notice to the unit owners of a proposed delegation and include a  
39 statement that unit owners may object in a record to the delegation

1 not later than 30 days after delivery of the notice. The delegation  
2 becomes effective if the board does not receive a timely objection  
3 from unit owners of units to which at least 10 percent of the votes  
4 in the association are allocated. If the board receives a timely  
5 objection by at least 10 percent of the votes, the delegation becomes  
6 effective only if the unit owners vote under RCW 64.90.455 to approve  
7 the delegation by a majority vote. The delegation is not effective  
8 until the master association accepts the delegation.

11 (5) At a meeting of the unit owners which lists in the notice of  
12 the meeting the subject of delegation of powers from the board to a  
13 master association, the unit owners may revoke the delegation by a  
14 majority of the votes cast at the meeting. The effect of revocation  
15 on the rights and obligations of parties under a contract between a  
16 unit owners association and a master association is determined by law  
17 of this state other than this chapter.

18 (6) Unless it is acting in the capacity of a unit owners  
19 association, a master association may exercise the powers set forth  
20 in RCW 64.90.405(1)(b) only to the extent expressly permitted in the  
21 declarations of common interest communities that are part of the  
22 master association or expressly described in the delegations of power  
23 from those common interest communities to the master association.

24 (7) After a unit owners association delegates a power to a master  
25 association, the unit owners association, its board members, and its  
26 officers are not liable for an act or omission of the master  
27 association with respect to the delegated power.

28 (8) The rights and responsibilities of unit owners with respect  
29 to the unit owners association set forth in RCW 64.90.410, 64.90.445,  
30 64.90.450, 64.90.455, 64.90.465, and 64.90.505 apply in the conduct  
31 of the affairs of a master association only to persons who elect the  
32 board of a master association, whether or not those persons are  
33 otherwise unit owners within the meaning of this chapter.

34 (9) Not later than 90 days after termination of a period of  
35 declarant control of the master association, the board of the master  
36 association must be elected in one of the following ways:

37 (a) The unit owners of all common interest communities subject to  
38 the master association may elect all members of the master  
39 association's board; or

1 (b) The unit owners in, or the board of, each common interest  
2 community subject to the master association elect one or more members  
3 of the master association's board if the instruments governing the  
4 master association apportion the seats on the board to each common  
5 interest community in a manner roughly proportional to the number of  
6 units in each common interest community.

7 (10) A period of declarant control of the master association  
8 under subsection (9) of this section terminates not later than the  
9 earlier of:

10 (a) The termination under RCW 64.90.415 of all periods of  
11 declarant control of all common interest communities subject to the  
12 master association under RCW 64.90.415; or

13 (b) 60 days after conveyance to unit owners other than a  
14 declarant of 75 percent of the units that may be created in all  
15 common interest communities subject to the master association.

27 (a) Do not apply to common interest communities subject to this  
28 chapter; and

29 (b) Apply to a common interest community created before July 1,  
30 2018, only until the community becomes subject to this chapter.

31 (4) (a) Unless the declaration provides that this entire chapter  
32 is applicable, a plat community or miscellaneous community that is  
33 not subject to any development right is subject only to RCW

29 (b) The declaration creating that common interest community  
30 expressly subjects that common interest community to the declaration

22 to chapter 64.38 RCW.

23 (3) This section does not apply to a common interest community  
24 that becomes subject to this chapter under RCW 64.90.360(1) or by  
25 election under RCW 64.90.360(4), 64.90.370(1)(b), or 64.90.100.

26 **Sec. 12.** RCW 64.90.405 and 2024 c 321 s 311 are each amended to  
27 read as follows:

24 cooperative may be subjected to a security interest pursuant to RCW  
25 64.90.465 only;

26 (i) Grant easements, leases, and licenses through or over the  
27 common elements, but a grant to a unit owner that benefits the unit  
28 owner's unit is allowed only by reallocation under RCW 64.90.240(3)  
29 of the common elements to a limited common element, and petition for  
30 or consent to the vacation of streets and alleys. Notwithstanding the  
31 foregoing, a reallocation shall not be required in regard to the  
32 installation of an electric vehicle charging station on the common  
33 elements;

34 (j) Impose and collect any reasonable payments, fees, or charges  
35 for:

36 (i) The use, rental, or operation of the common elements, other

9 furnished to the owners pursuant to the requirements for notice in  
10 RCW 64.90.505;

11 (m) Impose and collect reasonable charges for the preparation and

13 required under RCW 64.90.640, lender questionnaires, or statements of  
14 unpaid assessments;

15 (n) Provide for the indemnification of its officers and board

20 (q) Join in a petition for the establishment of a parking and  
21 business improvement area, participate in the ratepayers' board or  
22 other advisory body set up by the legislative authority for operation  
23 of a parking and business improvement area, and pay special

28 (r) Establish and administer a reserve account as described in  
29 RCW 64.90.535;

30 (s) Prepare a reserve study as described in RCW 64.90.545;

31 (t) Exercise any other powers conferred by the declaration or  
32 organizational documents;

33 (u) Exercise all other powers that may be exercised in this state  
34 by the same type of entity as the association;

35 (v) Exercise any other powers necessary and proper for the  
36 governance and operation of the association;

37 (w) Require that disputes between the association and unit owners  
38 or between two or more unit owners regarding the common interest  
39 community, other than those governed by chapter 64.50 RCW, be

1 submitted to nonbinding alternative dispute resolution as a  
2 prerequisite to commencement of a judicial proceeding; and

3 (x) Suspend any right or privilege of a unit owner who fails to  
4 pay an assessment which suspension may be imposed for a reasonable  
5 amount of time not to exceed one business day after the association  
6 receives full payment of the delinquent assessment and the board has  
7 received confirmation of payment and cleared funds, but may not:

8 (i) Deny a unit owner or other occupant access to the owner's  
9 unit, or any limited common elements allocated only to that unit, or  
10 any common elements necessary to access the unit;

11 (ii) Suspend a unit owner's right to vote; or

12 (iii) Withhold services provided to a unit or a unit owner by the  
13 association if the effect of withholding the service would be to  
14 endanger the health, safety, or property of any person.

15 (3) The declaration may not limit the power of the association  
16 beyond the limit authorized in subsection (2)(w) of this section to:

17 (a) Deal with the declarant if the limit is more restrictive than  
18 the limit imposed on the power of the association to deal with other  
19 persons; or

20 (b) Institute litigation or an arbitration, mediation, or  
21 administrative proceeding against any person, subject to the  
22 following:

23 (i) The association must comply with chapter 64.50 RCW, if  
24 applicable, before instituting any proceeding described in chapter  
25 64.50 RCW in connection with construction defects; and

26 (ii) The board must promptly provide notice to the unit owners of  
27 any legal proceeding in which the association is a party other than  
28 proceedings involving enforcement of rules or to recover unpaid  
29 assessments or other sums due the association.

30 (4) Any borrowing by an association that is to be secured by an  
31 assignment of the association's right to receive future income  
32 pursuant to subsection (2)(e) and (p) of this section requires  
33 ratification by the unit owners as provided in this subsection.

34 (a) The board must provide notice of the intent to borrow to all  
35 unit owners. The notice must include the purpose and maximum amount  
36 of the loan, the estimated amount and term of any assessments  
37 required to repay the loan, a reasonably detailed projection of how  
38 the money will be expended, and the interest rate and term of the  
39 loan.

1 (b) In the notice, the board must set a date for a meeting of the  
2 unit owners, which must not be less than 14 and no more than 50 days  
3 after mailing of the notice, to consider ratification of the  
4 borrowing.

5 (c) Unless at that meeting, whether or not a quorum is present,  
6 unit owners holding a majority of the votes in the association or any  
7 larger percentage specified in the declaration reject the proposal to  
8 borrow funds, the association may proceed to borrow the funds in  
9 substantial accordance with the terms contained in the notice.

10 (5) If a tenant of a unit owner violates the governing documents,  
11 in addition to exercising any of its powers against the unit owner,  
12 the association may:

13 (a) Exercise directly against the tenant the powers described in  
14 subsection (2)(1) of this section;

15 (b) After giving notice to the tenant and the unit owner and an  
16 opportunity to be heard, levy reasonable fines against the tenant and  
17 unit owner for the violation; and

18 (c) Enforce any other rights against the tenant for the violation  
19 that the unit owner as the landlord could lawfully have exercised  
20 under the lease or that the association could lawfully have exercised  
21 directly against the unit owner, or both; but the association does  
22 not have the right to terminate a lease or evict a tenant unless  
23 permitted by the declaration. The rights referred to in this  
24 subsection (5)(c) may be exercised only if the tenant or unit owner  
25 fails to cure the violation within 10 days after the association  
26 notifies the tenant and unit owner of that violation.

27 (6) Unless a lease otherwise provides, this section does not:

28 (a) Affect rights that the unit owner has to enforce the lease or  
29 that the association has under other law; or

30 (b) Permit the association to enforce a lease to which it is not  
31 a party in the absence of a violation of the governing documents.

32 (7) The board may determine whether to take enforcement action by  
33 exercising the association's power to impose sanctions or commencing  
34 an action for a violation of the governing documents, including  
35 whether to compromise any claim for unpaid assessments or other claim  
36 made by or against it.

37 (8) The board does not have a duty to take enforcement action if  
38 it determines that, under the facts and circumstances presented:

39 (a) The association's legal position does not justify taking any  
40 or further enforcement action;

1 (b) The covenant, restriction, or rule being enforced is, or is  
2 likely to be construed as, inconsistent with law;

3 (c) Although a violation may exist or may have occurred, it is  
4 not so material as to be objectionable to a reasonable person or to  
5 justify expending the association's resources; or

6 (d) It is not in the association's best interests to pursue an  
7 enforcement action.

8 (9) The board's decision under subsections (7) and (8) of this  
9 section to not pursue enforcement under one set of circumstances does  
10 not prevent the board from taking enforcement action under another  
11 set of circumstances, but the board may not be arbitrary or  
12 capricious in taking enforcement action.

13 **Sec. 13.** RCW 64.90.410 and 2024 c 321 s 312 are each amended to  
14 read as follows:

15 (1)(a) Except as provided otherwise in the governing documents,  
16 subsection (4) of this section, or other provisions of this chapter,  
17 the board may act on behalf of the association.

18 (b) In the performance of their duties, officers and board  
19 members must exercise the degree of care and loyalty to the  
20 association required of an officer or director of a corporation  
21 organized, are subject to the conflict of interest rules governing  
22 directors and officers, and are entitled to the immunities from  
23 liability available to officers and directors under chapter 24.06  
24 RCW. The standards of care and loyalty, and conflict of interest  
25 rules and immunities described in this section apply regardless of  
26 the form in which the association is organized.

27 (2)(a) Except as provided otherwise in RCW 64.90.300(9),  
28 effective as of the transition meeting held in accordance with RCW  
29 64.90.415(4), the board must be comprised of at least three members,  
30 at least a majority of whom must be unit owners. However, the number  
31 of board members need not exceed the number of units then in the  
32 common interest community.

33 (b) Unless the declaration or organizational documents provide  
34 for the election of officers by the unit owners, the board must elect  
35 the officers.

36 (c) Unless provided otherwise in the declaration or  
37 organizational documents, board members and officers must take office  
38 upon adjournment of the meeting at which they were elected or  
39 appointed or, if not elected or appointed at a meeting, at the time

1 of such election or appointment, and must serve until their successor  
2 takes office.

3 (d) In determining the qualifications of any officer or board  
4 member of the association, "unit owner" includes, unless the  
5 declaration or organizational documents provide otherwise, any board  
6 member, officer, member, partner, or trustee of any person, who is,  
7 either alone or in conjunction with another person or persons, a unit  
8 owner.

9 (e) Any officer or board member of the association who would not  
10 be eligible to serve as such if he or she were not a board member,  
11 officer, partner in, or trustee of such a person is disqualified from  
12 continuing in office if he or she ceases to have any such affiliation  
13 with that person or that person would have been disqualified from  
14 continuing in such office as a natural person.

15 (3) Except when voting as a unit owner, the declarant may not  
16 appoint or elect any person or to serve itself as a voting, ex  
17 officio or nonvoting board member following the transition meeting.

18 (4) The board may not, without vote or agreement of the unit  
19 owners:

20 (a) Amend the declaration, except as provided in RCW 64.90.285;

21 (b) Amend the organizational documents of the association;

22 (c) Terminate the common interest community;

23 (d) Elect members of the board, but may fill vacancies in its  
24 membership not resulting from removal for the unexpired portion of  
25 any term or, if earlier, until the next regularly scheduled election  
26 of board members; or

27 (e) Determine the qualifications, powers, duties, or terms of  
28 office of board members.

29 (5) The board must adopt budgets as provided in RCW 64.90.525.

30 (6) Except for committees appointed by the declarant pursuant to  
31 special declarant rights, all committees of the association must be  
32 appointed by the board. Committees authorized to exercise any power  
33 reserved to the board must include at least two board members who  
34 have exclusive voting power for that committee. Committees that are  
35 not so composed may not exercise the authority of the board and are  
36 advisory only.

37 (7) A declaration may provide for the appointment of specified  
38 positions on the board by persons other than the unit owners or the  
39 declarant or an affiliate of the declarant during or after the period  
40 of declarant control. It also may provide a method for filling

1 vacancies in those positions, other than by election by the unit  
2 owners. However, after the period of declarant control, appointed  
3 members:

- 4 (a) May not comprise more than one-third of the board; and
- 5 (b) Have no greater authority than any other board member.

6 **Sec. 14.** RCW 64.90.420 and 2024 c 321 s 314 are each amended to  
7 read as follows:

8 (1) No later than 30 days following the date of the transition  
9 meeting held pursuant to RCW 64.90.415(4), the declarant must deliver  
10 or cause to be delivered to the board elected at the transition  
11 meeting all property of the unit owners and association as required  
12 by the declaration or this chapter including, but not limited to:

13 (a) The original or a copy of the recorded declaration and each  
14 amendment to the declaration;

15 (b) The organizational documents of the association;

16 (c) The minute books, including all minutes, and other books and  
17 records of the association;

18 (d) Current rules and regulations that have been adopted;

19 (e) Resignations of officers and members of the board who are  
20 required to resign because the declarant is required to relinquish  
21 control of the association;

22 (f) The financial records, including canceled checks, bank  
23 statements, and financial statements of the association, and source  
24 documents from the time of formation of the association through the  
25 date of transfer of control to the unit owners;

26 (g) Association funds or the control of the funds of the  
27 association;

28 (h) Originals or copies of any recorded instruments of conveyance  
29 for any common elements included within the common interest community  
30 but not appurtenant to the units;

31 (i) All tangible personal property of the association;

32 (j) Except for alterations to a unit done by a unit owner other  
33 than the declarant, a copy of the most recent plans and  
34 specifications used in the construction or remodeling of the common  
35 interest community, except for buildings containing fewer than three  
36 units;

37 (k) Originals or copies of insurance policies for the common  
38 interest community and association;

1 (l) Originals or copies of any certificates of occupancy that may  
2 have been issued for the common interest community;

3 (m) Originals or copies of any other permits obtained by or on  
4 behalf of the declarant and issued by governmental bodies applicable  
5 to the common interest community;

6 (n) Originals or copies of all written warranties that are still  
7 in effect for the common elements, or any other areas or facilities  
8 that the association has the responsibility to maintain and repair,  
9 from the contractor, subcontractors, suppliers, and manufacturers and  
10 all owners' manuals or instructions furnished to the declarant with  
11 respect to installed equipment or building systems;

12 (o) A roster of unit owners and eligible mortgagees and their  
13 addresses and telephone numbers, if known, as shown on the  
14 declarant's records and the date of closing of the first sale of each  
15 unit sold by the declarant;

16 (p) Originals or copies of any leases of the common elements and  
17 other leases to which the association is a party;

18 (q) Originals or photocopies of any employment contracts or  
19 service contracts in which the association is one of the contracting  
20 parties or service contracts in which the association or the unit  
21 owners have an obligation or a responsibility, directly or  
22 indirectly, to pay some or all of the fee or charge of the person  
23 performing the service;

24 (r) Originals or copies of any qualified warranty issued to the  
25 association as provided for in RCW 64.35.505;

26 (s) Originals or copies of all other contracts to which the  
27 association is a party; and

28 (t) Originals or copies of the most recent reserve study prepared  
29 pursuant to RCW 64.90.545, if one exists.

30 (2) (~~Within~~) No later than 60 days (~~of~~) following the  
31 transition meeting, the board must retain the services of a certified  
32 public accountant to audit the records of the association as of the  
33 date of the transition meeting in accordance with generally accepted  
34 auditing standards unless the unit owners, other than the declarant,  
35 to which a majority of the votes are allocated elect to waive the  
36 audit. The cost of the audit must be a common expense unless  
37 otherwise provided in the declaration. The accountant performing the  
38 audit must examine supporting documents and records, including the  
39 cash disbursements and related paid invoices, to determine if  
40 expenditures were for association purposes and the billings, cash

1 receipts, and related records to determine if the declarant was  
2 charged for and paid the proper amount of assessments.

3 **Sec. 15.** RCW 64.90.435 and 2018 c 277 s 308 are each amended to  
4 read as follows:

5 (1) Unless provided for in the declaration, the organizational  
6 documents of the association must:

7 (a) Provide the number of board members and the titles of the  
8 officers of the association;

9 (b) Provide for election by the board or, if the declaration  
10 requires, by the unit owners of a president, treasurer, secretary,  
11 and any other officers of the association the organizational  
12 documents specify;

13 (c) Specify the qualifications, powers and duties, terms of  
14 office, and manner of electing and removing board members and  
15 officers and filling vacancies in accordance with RCW 64.90.410;

16 (d) (~~Specify~~) If applicable, specify the powers the board or  
17 officers may delegate to other persons or to a managing agent;

18 (e) Specify a method for the unit owners to amend the  
19 organizational documents;

20 (f) Describe the budget ratification process required under RCW  
21 64.90.525, if not provided in the declaration;

22 (g) Contain any provision necessary to satisfy requirements in  
23 this chapter or the declaration concerning meetings, voting, quorums,  
24 and other activities of the association; and

25 (h) Provide for any matter required by law of this state other  
26 than this chapter to appear in the organizational documents of  
27 organizations of the same type as the association.

28 (2) Subject to the declaration and this chapter, the  
29 organizational documents may provide for any other necessary or  
30 appropriate matters.

31 **Sec. 16.** RCW 64.90.445 and 2024 c 321 s 316 are each amended to  
32 read as follows:

33 (1) The following requirements apply to unit owner meetings:

34 (a) A meeting of the association must be held at least once each  
35 year. Failure to hold an annual meeting does not cause a forfeiture  
36 or give cause for dissolution of the association and does not affect  
37 otherwise valid association acts.

1 (b) (i) An association must hold a special meeting of unit owners  
2 to address any matter affecting the common interest community or the  
3 association if its president, a majority of the board, or unit owners  
4 having at least 20 percent, or any lower percentage specified in the  
5 organizational documents, of the votes in the association request  
6 that the secretary call the meeting.

7 (ii) If the association does not provide notice to unit owners of  
8 a special meeting within 30 days after the requisite number or  
9 percentage of unit owners request the secretary to do so, the  
10 requesting members may directly provide notice to all the unit owners  
11 of the meeting. The unit owners may discuss at a special meeting a  
12 matter not described in the notice under (c) of this subsection but  
13 may not take action on the matter without the consent of all unit  
14 owners.

15 (c) An association must provide notice to unit owners of the  
16 time, date, and place of each annual and special unit owners meeting  
17 not less than 14 days and not more than 50 days before the meeting  
18 date. Notice may be by any means described in RCW 64.90.515. The  
19 notice of any meeting must state the time, date, and place of the  
20 meeting and the items on the agenda, including:

21 (i) The text of any proposed amendment to the declaration or  
22 organizational documents; and

23 ~~(ii) ((Any changes in the previously approved budget that result  
24 in a change in the assessment obligations; and~~

25 ~~(iii)))~~ Any proposal to remove a board member or, if the  
26 declaration or organizational documents provide for the election of  
27 officers by the unit owners, any proposal to remove an officer.

28 (d) Unit owners must be given a reasonable opportunity at any  
29 meeting to comment regarding any matter affecting the common interest  
30 community or the association.

31 (e) A meeting of unit owners is not required to be held at a  
32 physical location if(~~(~~

33 ~~(i) The)) the meeting is conducted ((~~by a means of communication~~  
34 ~~that enables owners in different locations to communicate in real~~  
35 ~~time to the same extent as if they were physically present in the~~  
36 ~~same location, provided that such means of communication must have an~~  
37 ~~option for owners to communicate by telephone; and~~~~

38 ~~(ii) The declaration or organizational documents do not require~~  
39 ~~that the owners meet at a physical location)) in accordance with  
40 subsection (3) of this section.~~

1 (f) In the notice for a meeting held at a physical location, the  
2 board may notify all unit owners that they may participate remotely  
3 in the meeting by a means of communication described in (~~(e)~~  
4 ~~this~~) subsection (3) of this section.

5 (2) The following requirements apply to meetings of the board and  
6 committees authorized to act for the board:

7 (a) Meetings must be open to the unit owners except during  
8 executive sessions, but the board may expel or prohibit attendance by  
9 any person who, after warning by the chair of the meeting, disrupts  
10 the meeting. The board and those committees may hold an executive  
11 session only during a regular or special meeting of the board or a  
12 committee. A final vote or action may not be taken during an  
13 executive session.

14 (b) An executive session may be held only to:

15 (i) Consult with the association's attorney concerning legal  
16 matters;

17 (ii) Discuss existing or potential litigation or mediation,  
18 arbitration, or administrative proceedings;

19 (iii) Discuss labor or personnel matters;

20 (iv) Discuss contracts, leases, and other commercial transactions  
21 to purchase or provide goods or services currently being negotiated,  
22 including the review of bids or proposals, if premature general  
23 knowledge of those matters would place the association at a  
24 disadvantage; or

25 (v) Prevent public knowledge of the matter to be discussed if the  
26 board or committee determines that public knowledge would violate the  
27 privacy of any person.

28 (c) For purposes of this subsection, a gathering of members of  
29 the board or committees at which the board or committee members do  
30 not conduct association business is not a meeting of the board or  
31 committee. Board members and committee members may not use incidental  
32 or social gatherings to evade the open meeting requirements of this  
33 subsection.

34 (d) During the period of declarant control, the board must meet  
35 at least four times a year. At least one of those meetings must be  
36 held at the common interest community or at a place convenient to the  
37 community. After the transition meeting, unless the organizational  
38 documents provide otherwise, and except as otherwise provided in  
39 subsection (3) of this section, all board meetings must be at the  
40 common interest community or at a place convenient to the common

1 interest community (~~unless the unit owners amend the bylaws to vary~~  
2 ~~the location of those meetings~~)).

3 (e) At each board meeting, the board must provide a reasonable  
4 opportunity for unit owners to comment regarding matters affecting  
5 the common interest community and the association. The board must  
6 provide at least 15 minutes at the beginning of each meeting for unit  
7 owners to comment about agenda items before the board votes. The  
8 board may place reasonable time restrictions of not less than 90  
9 seconds per owner per unit, except that the time per owner per unit  
10 may be reduced and allocated equally if more than 10 unit owners wish  
11 to comment.

12 (f) Unless the meeting is included in a schedule given to the  
13 unit owners, the secretary or other officer specified in the  
14 organizational documents must provide notice of each board meeting to  
15 each board member and to the unit owners. The notice must be given at  
16 least 14 days before the meeting and must state the time, date,  
17 place, and agenda of the meeting. Notwithstanding the foregoing,  
18 notice of a meeting to address an event or condition that could not  
19 have been reasonably foreseen and for which it is impracticable to  
20 provide notice as otherwise required by this chapter must be given at  
21 least seven days before the meeting and by means of electronic  
22 communication to unit owners whose electronic address or phone number  
23 is known to the association.

24 (g) If any materials are distributed to the board before the  
25 meeting, the board must make copies of those materials reasonably  
26 available to the unit owners, except that the board need not make  
27 available copies of unapproved minutes or materials that are to be  
28 considered in executive session.

29 (h) (~~Unless the organizational~~) Notwithstanding the governing  
30 documents (~~provide otherwise~~), fewer than all board members may  
31 participate in a regular or special meeting by or conduct a meeting  
32 through the use of any means of communication by which all board  
33 members participating can hear each other during the meeting. A board  
34 member participating in a meeting by these means is deemed to be  
35 present in person at the meeting.

36 (~~(i) Unless the organizational documents provide otherwise, the~~  
37 ~~board may meet by participation of all board members by telephonic,~~  
38 ~~video, or other conferencing process if:~~

39 ~~(i) The meeting notice states the conferencing process to be used~~  
40 ~~and provides information explaining how unit owners may participate~~

1 ~~in the conference directly or by meeting at a central location or~~  
2 ~~conference connection; and~~

3 ~~(ii) The process provides all unit owners the opportunity to hear~~  
4 ~~or perceive the discussion and to comment as provided in (e) of this~~  
5 ~~subsection.~~

6 ~~(j) After the transition meeting, unit owners may amend the~~  
7 ~~organizational documents to vary the procedures for meetings~~  
8 ~~described in (i) of this subsection.~~

9 ~~(k))~~ (i) Prior to the transition meeting, without a meeting, the  
10 board may act by unanimous consent as documented in a record by all  
11 its members. Actions taken by unanimous consent must be kept as a  
12 record of the association with the meeting minutes. After the  
13 transition meeting, the board may act by unanimous consent only to  
14 undertake ministerial actions, actions subject to ratification by the  
15 unit owners, or to implement actions previously taken at a meeting of  
16 the board.

17 ~~((l))~~ (j) A board member who is present at a board meeting at  
18 which any action is taken is presumed to have assented to the action  
19 taken unless the board member's dissent or abstention to such action  
20 is lodged with the person acting as the secretary of the meeting  
21 before adjournment of the meeting or provided in a record to the  
22 secretary of the association immediately after adjournment of the  
23 meeting. The right to dissent or abstain does not apply to a board  
24 member who voted in favor of such action at the meeting.

25 ~~((m))~~ (k) A board member may not vote by proxy or absentee  
26 ballot.

27 ~~((n))~~ (l) Even if an action by the board is not in compliance  
28 with this section, it is valid unless set aside by a court. An action  
29 seeking relief for failure of the board to comply with this section  
30 may not be brought more than 90 days after the minutes of the board  
31 of the meeting at which the action was taken are approved or the  
32 record of that action is distributed to unit owners, whichever is  
33 later.

34 (3) Notwithstanding the governing documents, any meeting may be  
35 held by telephonic, video, or other conferencing process if:

36 (a) The meeting notice states the conferencing process to be used  
37 and provides information explaining how to participate in the  
38 conference;

1 (b) The process provides all participants the opportunity to hear  
2 or perceive the discussion and to comment as provided in subsection  
3 (2)(e) of this section;

4 (c) Any votes of the board members are conducted by roll call or  
5 other verbal vote; and

6 (d) Any person entitled to participate in the meeting is given  
7 the option of participating by telephone.

8 (4) Minutes of all unit owner meetings and board meetings,  
9 excluding executive sessions, must be maintained in a record. The  
10 decision on each matter voted upon at a board meeting or unit owner  
11 meeting must be recorded in the minutes.

12 **Sec. 17.** RCW 64.90.455 and 2024 c 321 s 317 are each amended to  
13 read as follows:

14 (1) Unit owners may vote at a meeting under subsection (2) or (3)  
15 of this section or, when a vote is conducted without a meeting, by  
16 ballot in the manner provided in subsection (4) of this section.

17 (2) At a meeting of unit owners the following requirements apply:

18 (a) Unless the declaration or bylaws otherwise provide, and  
19 except as provided in subsection (9) of this section, unit owners or  
20 their proxy holders may vote by voice vote, show of hands, standing,  
21 written ballot, or any other method authorized at the meeting.

22 (b) If unit owners attend the meeting by a means of communication  
23 under RCW 64.90.445(1) (e) or (f), the association shall implement  
24 reasonable measures to verify the identity of each unit owner  
25 attending remotely.

26 (c) Whenever proposals or board members are to be voted upon at a  
27 meeting, a unit owner may vote by duly executed absentee ballot if:

28 (i) The name of each candidate and the text of each proposal to  
29 be voted upon are set forth in a writing accompanying or contained in  
30 the notice of meeting; and

31 (ii) A ballot is provided by the association for such purpose.  
32 Any ballot provided by the association for election of board members  
33 by the unit owners must designate a blank space for unit owners to  
34 cast a vote for one or more candidates.

35 (d) When a unit owner votes by absentee ballot under (c) of this  
36 subsection, the association must be able to verify that the ballot is  
37 cast by the unit owner having the right to do so.

1 (3) Unless the declaration or organizational documents otherwise  
2 provide, unit owners may vote by proxy subject to the following  
3 requirements:

4 (a) Votes allocated to a unit may be cast pursuant to a directed  
5 or undirected proxy duly executed by a unit owner in the same manner  
6 as provided in RCW 24.06.110.

7 (b) When a unit owner votes by proxy, the association shall  
8 implement reasonable measures to verify the identity of the unit  
9 owner and the proxy holder.

10 (c) A unit owner may revoke a proxy given pursuant to this  
11 section only by actual notice of revocation to the secretary or the  
12 person presiding over a meeting of the association or by delivery of  
13 a subsequent proxy. The death or disability of a unit owner does not  
14 revoke a proxy given by the unit owner unless the person presiding  
15 over the meeting has actual notice of the death or disability.

16 (d) A proxy is void if it is not dated or purports to be  
17 revocable without notice.

18 (e) Unless stated otherwise in the proxy, a proxy terminates 11  
19 months after its date of issuance.

20 (4) Unless the declaration or organizational documents otherwise  
21 provide, an association may conduct a vote without a meeting. The  
22 following requirements apply:

23 (a) The association must notify the unit owners that the vote  
24 will be taken by ballot without a meeting.

25 (b) The notice under (a) of this subsection must state:

26 (i) The time and date by which a ballot must be delivered to the  
27 association to be counted, which may not be fewer than 14 days after  
28 the date of the notice, and which deadline may be extended in  
29 accordance with (g) of this subsection;

30 (ii) The percent of votes necessary to approve each matter other  
31 than election of board members; and

32 (iii) The time, date, and manner by which unit owners wishing to  
33 deliver information to all unit owners regarding the subject of the  
34 vote may do so.

35 (c) The association must deliver with the notice under (a) of  
36 this subsection:

37 (i) Instructions for casting a ballot;

38 (ii) A ballot in a tangible medium to every unit owner except a  
39 unit owner that has consented in a record to electronic voting; and

1 (iii) If the association allows electronic voting, instructions  
2 for electronic voting.

3 (d) The ballot must set forth each proposed action and provide an  
4 opportunity to vote for or against the action. Any ballot provided by  
5 the association for election of board members by the unit owners must  
6 designate a blank space for unit owners to cast a vote for one or  
7 more candidates.

8 (e) A unit owner may revoke a ballot cast pursuant to this  
9 section before the date and time under (b) of this subsection by  
10 which the ballot must be delivered to the association only by actual  
11 notice to the association of revocation. The death or disability of a  
12 unit owner does not revoke a ballot unless the association has actual  
13 notice of the death or disability prior to the date set forth in  
14 (b)(i) of this subsection.

15 (f) Approval by ballot pursuant to this subsection is valid only  
16 if the number of votes cast by ballot equals or exceeds the quorum  
17 required to be present at a meeting authorizing the action.

18 (g) If the association does not receive a sufficient number of  
19 votes to constitute a quorum or to approve the proposal by the date  
20 and time established for return of ballots, the board may extend the  
21 deadline for a reasonable period not to exceed 11 months upon further  
22 notice to all members in accordance with (b) of this subsection. In  
23 that event, all votes previously cast on the proposal must be counted  
24 unless subsequently revoked as provided in this section.

25 (h) A ballot or revocation is not effective until received by the  
26 association.

27 (i) The association must give notice to unit owners of any action  
28 taken pursuant to this subsection within a reasonable time after the  
29 action is taken.

30 (j) When an action is taken pursuant to this subsection, a record  
31 of the action, including the ballots or a report of the persons  
32 appointed to tabulate such ballots, must be kept with the minutes of  
33 meetings of the association.

34 (k) The association shall implement reasonable measures to verify  
35 that each ballot in a tangible medium and electronic ballot is cast  
36 by the unit owner having a right to do so.

37 (l) A unit owner consents to electronic voting by delivering to  
38 the association a record indicating such consent or by casting an  
39 electronic ballot.

1 (m) An association that allows electronic ballots shall create a  
2 record of electronic votes capable of retention, retrieval, and  
3 review.

4 (5) If the governing documents require that votes on specified  
5 matters affecting the common interest community be cast by lessees  
6 rather than unit owners of leased units:

7 (a) This section applies to lessees as if they were unit owners;

8 (b) Unit owners that have leased their units to other persons may  
9 not cast votes on those specified matters; and

10 (c) Lessees are entitled to notice of meetings, access to  
11 records, and other rights respecting those matters as if they were  
12 unit owners.

13 (6) Unit owners must also be given notice of all meetings at  
14 which lessees may be entitled to vote.

15 (7) In any vote of the unit owners, votes allocated to a unit  
16 owned by the association must be cast in the same proportion as the  
17 votes cast on the matter by unit owners other than the association.

18 (8) (a) Unless a different number or fraction of the votes in an  
19 association is required by this chapter or the declaration, a  
20 majority of the votes cast determines the outcome of a vote taken at  
21 a meeting or without a meeting.

22 (b) If a unit is owned by more than one person and:

23 (i) Only one owner casts a vote, that vote must be counted as  
24 casting all votes allocated to the unit by the declaration; and

25 (ii) More than one owner casts a vote for the unit, no vote from  
26 any owner of the unit may be counted unless the declaration provides  
27 a manner for allocating votes cast by multiple owners of a unit.

28 (9) (a) Notwithstanding any other law or provision of the  
29 governing documents, the following votes of unit owners shall be  
30 conducted by secret ballot:

31 ~~((a))~~ (i) Election of board members; ~~((b) removal)~~

32 (ii) Removal of board members or, if the declaration or  
33 organizational documents provide for the election of officers by the  
34 unit owners, the removal of officers; ~~((c) amendments)~~ or

35 (iii) Amendments to the ~~(declaration or)~~ governing documents ~~(or~~  
36 or ~~(d) unit owner approval of an amendment to the declaration for the~~  
37 reallocation of a common element as a limited common element for the  
38 exclusive use of an owner's unit pursuant to RCW 64.90.240)).

39 (b) At a meeting of unit owners held pursuant to this section,  
40 the secret ballots physically received by the association must be

1 opened and counted and the results of the secret ballots received by  
2 the association by electronic means must be reviewed, announced, and  
3 recorded in the meeting minutes. A quorum is not required to be  
4 present when the secret ballots physically received by the  
5 association are opened and counted or the results of the secret  
6 ballots received by the association by electronic means are reviewed,  
7 announced, and recorded in the meeting minutes.

8 (c) The incumbent members of the board and each person whose name  
9 is placed on the ballot as a candidate for membership on the board  
10 may not possess, be given access to, or participate in the opening or  
11 counting of the secret ballots that the association physically  
12 receives, or the collection of data regarding the secret ballots that  
13 the association receives by electronic means, before those secret  
14 ballots have been opened and counted or reviewed, announced, and  
15 recorded in the meeting minutes, as applicable, at a meeting of the  
16 association.

17 **Sec. 18.** RCW 64.90.475 and 2018 c 277 s 316 are each amended to  
18 read as follows:

19 (1) The association must establish and maintain its accounts and  
20 records in a manner that will enable it to credit assessments for  
21 common expenses (~~and specially allocated expenses~~), including  
22 allocations to reserves, and other income to the association, and to  
23 charge expenditures, to the account of the appropriate units in  
24 accordance with the provisions of the declaration.

25 (2) To assure that the unit owners are correctly assessed for the  
26 actual expenses of the association, the accounts of the association  
27 must be reconciled at least annually unless the board determines that  
28 a reconciliation would not result in a material savings to any unit  
29 owner. Unless provided otherwise in the declaration, any surplus  
30 funds of the association remaining after the payment of or provision  
31 for common expenses and any prepayment of reserves must be paid  
32 annually to the unit owners in proportion to their common expense  
33 liabilities or credited to them to reduce their future common expense  
34 assessments.

35 **Sec. 19.** RCW 64.90.480 and 2024 c 321 s 207 are each amended to  
36 read as follows:

37 (1)(a) Assessments for common expenses (~~and those specially~~  
38 ~~allocated expenses that are subject to inclusion in a budget~~) must

1 be made at least annually based on a budget adopted at least annually  
2 by the association in the manner provided in RCW 64.90.525.

3 (b) Assessments for common expenses (~~and specially allocated~~  
4 ~~expenses~~) must commence on all units that have been created upon the  
5 conveyance of the first unit in the common interest community;  
6 however, the declarant may delay commencement of assessments for some  
7 or all common expenses (~~or specially allocated expenses~~), in which  
8 event the declarant must pay all of the common expenses (~~or~~  
9 ~~specially allocated expenses~~) that have been delayed. In a common  
10 interest community in which units may be added pursuant to reserved  
11 development rights, the declarant may delay commencement of  
12 assessments for such units in the same manner.

13 (2) The declaration may provide that, upon closing of the first  
14 conveyance of each unit to a purchaser or first occupancy of a unit,  
15 whichever occurs first, the association may assess and collect a  
16 working capital contribution for such unit. The working capital  
17 contribution may be collected prior to the commencement of common  
18 assessments under subsection (1) of this section. A working capital  
19 contribution may not be used to defray expenses that are the  
20 obligation of the declarant.

21 (3) Except as provided otherwise in this section, all common  
22 expenses must be assessed against all the units in accordance with  
23 their common expense liabilities, subject to the right of the  
24 declarant to delay commencement of certain common expenses under  
25 subsections (1) and (2) of this section. Any past due assessment or  
26 installment of past due assessment bears interest at the rate  
27 established by the association pursuant to RCW 64.90.485.

28 (4) The declaration may provide that any of the following common  
29 expenses of the association must be assessed against the units on  
30 some basis other than common expense liability. If and to the extent  
31 the declaration so provides, the association must assess:

32 (a) Expenses associated with the operation, maintenance, repair,  
33 or replacement of any specified limited common element against the  
34 units to which that limited common element is assigned, equally or in  
35 any other proportion that the declaration provides;

36 (b) Expenses specified in the declaration as benefiting fewer  
37 than all of the units or their unit owners exclusively against the  
38 units benefited in proportion to their common expense liability or in  
39 any other proportion that the declaration provides, but if the common  
40 expense is for the maintenance, repair, or replacement of a common

1 element other than a limited common element, the expense may be  
2 assessed exclusively against them only if the declaration reasonably  
3 identifies the common expense by specific listing or category;

4 (c) The costs of insurance in proportion to risk; and

5 (d) The costs of one or more specified services or utilities in  
6 proportion to respective usage, whether metered, billed in bulk based  
7 on unit count, or reasonably estimated, or upon the same basis as  
8 such (~~utility~~) charges are made by the service or utility provider.

9 (5) Assessments to pay a judgment against the association may be  
10 made only against the units in the common interest community at the  
11 time the judgment was entered, in proportion to their common expense  
12 liabilities.

13 (6) The association may assess exclusively against a unit owner's  
14 unit common expenses, including expenses relating to damage to or  
15 loss of property, caused by the:

16 (a) Willful misconduct or gross negligence of the unit owner or  
17 the unit owner's tenant, guest, invitee, or occupant;

18 (b) Failure of the unit owner to comply with a maintenance  
19 standard prescribed by the declaration or a rule, if the standard  
20 contains a statement that an owner may be liable for damage or loss  
21 caused by failure to comply with the standard; or

22 (c) Negligence of the unit owner or the unit owner's tenant,  
23 guest, invitee, or occupant, if the declaration contains a statement  
24 that an owner may be liable for damage or loss caused by such  
25 negligence.

26 (7) Before an association makes an assessment under subsection  
27 (6) of this section, the association must give notice to the unit  
28 owner and provide an opportunity for a hearing. The assessment is  
29 limited to the expense the association incurred under subsection (6)  
30 of this section less any insured proceeds received by the  
31 association, whether the difference results from the application of a  
32 deductible or otherwise.

33 (8) In the event of a loss or damage to a unit that would be  
34 covered by the association's property insurance policy, excluding  
35 policies for earthquake, flood, or similar losses that have higher  
36 than standard deductibles, but that is within the deductible under  
37 that policy and if the declaration so provides, the association may  
38 assess the amount of the loss up to the deductible against that unit.  
39 This subsection does not prevent a unit owner from asserting a claim

1 against another person for the amount assessed if that other person  
2 would be liable for the damages under general legal principles.

3 (9) If common expense liabilities are reallocated, assessments  
4 and any installment of assessments not yet due must be recalculated  
5 in accordance with the reallocated common expense liabilities.

6 (10) An association must provide at least one method of accepting  
7 payment of assessments from unit owners at no charge or as a common  
8 expense.

9 **Sec. 20.** RCW 64.90.485 and 2024 c 321 s 319 are each amended to  
10 read as follows:

11 (1) The association has a statutory lien on each unit for any  
12 unpaid assessment against the unit from the time such assessment is  
13 due.

14 (2) A lien under this section has priority over all other liens  
15 and encumbrances on a unit except:

16 (a) Liens and encumbrances recorded before the recordation of the  
17 declaration and, in a cooperative, liens and encumbrances that the  
18 association creates, assumes, or takes subject to;

19 (b) Except as otherwise provided in subsection (3) of this  
20 section, a security interest on the unit recorded before the date on  
21 which the unpaid assessment became due or, in a cooperative, a  
22 security interest encumbering only the unit owner's interest and  
23 perfected before the date on which the unpaid assessment became due;  
24 and

25 (c) Liens for real estate taxes and other state or local  
26 governmental assessments or charges against the unit or cooperative.

27 (3)(a) A lien under this section also has priority over the  
28 security interests described in subsection (2)(b) of this section to  
29 the extent of an amount equal to the following:

30 (i) The common expense assessments, excluding any amounts for  
31 capital improvements, based on the periodic budget adopted by the  
32 association pursuant to RCW 64.90.480(1), (~~along with any specially~~  
33 ~~allocated assessments that are properly assessable against the unit~~  
34 ~~under such periodic budget,~~) which would have become due in the  
35 absence of acceleration during the six months immediately preceding  
36 the institution of proceedings to foreclose either the association's  
37 lien or a security interest described in subsection (2)(b) of this  
38 section;

1 (ii) The association's actual costs and reasonable attorneys'  
2 fees incurred in foreclosing its lien but incurred after the giving  
3 of the notice described in (a)(iii) of this subsection; provided,  
4 however, that the costs and reasonable attorneys' fees that will have  
5 priority under this subsection (3)(a)(ii) shall not exceed \$2,000 or  
6 an amount equal to the amounts described in (a)(i) of this  
7 subsection, whichever is less;

8 (iii) The amounts described in (a)(ii) of this subsection shall  
9 be prior only to the security interest of the holder of a security  
10 interest on the unit recorded before the date on which the unpaid  
11 assessment became due and only if the association has given that  
12 holder not less than 60 days' prior written notice that the owner of  
13 the unit is in default in payment of an assessment. The notice shall  
14 contain:

15 (A) Name of the borrower;

16 (B) Recording date of the trust deed or mortgage;

17 (C) Recording information;

18 (D) Name of (~~condominium~~) common interest community, unit  
19 owner, and unit designation stated in the declaration or applicable  
20 supplemental declaration;

21 (E) Amount of unpaid assessment; and

22 (F) A statement that failure to, within 60 days of the written  
23 notice, submit the association payment of six months of assessments  
24 as described in (a)(i) of this subsection will result in the priority  
25 of the amounts described in (a)(ii) of this subsection; and

26 (iv) Upon payment of the amounts described in (a)(i) and (ii) of  
27 this subsection by the holder of a security interest, the  
28 association's lien described in this subsection (3)(a) shall  
29 thereafter be fully subordinated to the lien of such holder's  
30 security interest on the unit.

31 (b) For the purposes of this subsection:

32 (i) "Institution of proceedings" means either:

33 (A) The date of recording of a notice of trustee's sale by a deed  
34 of trust beneficiary;

35 (B) The date of commencement, pursuant to applicable court rules,  
36 of an action for judicial foreclosure either by the association or by  
37 the holder of a recorded security interest; or

38 (C) The date of recording of a notice of intention to forfeit in  
39 a real estate contract forfeiture proceeding by the vendor under a  
40 real estate contract.

1 (ii) "Capital improvements" does not include making, in the  
2 ordinary course of management, repairs to common elements or  
3 replacements of the common elements with substantially similar items,  
4 subject to: (A) Availability of materials and products, (B)  
5 prevailing law, or (C) sound engineering and construction standards  
6 then prevailing.

7 (c) The adoption of a periodic budget that purports to allocate  
8 to a unit any fines, late charges, interest, attorneys' fees and  
9 costs incurred for services unrelated to the foreclosure of the  
10 association's lien, other collection charges, or specially allocated  
11 assessments assessed under RCW 64.90.480(6) (~~or (7)~~) does not cause  
12 any such items to be included in the priority amount affecting such  
13 unit.

14 (4) Subsections (2) and (3) of this section do not affect the  
15 priority of mechanics' or material suppliers' liens to the extent  
16 that law of this state other than chapter 277, Laws of 2018 gives  
17 priority to such liens, or the priority of liens for other  
18 assessments made by the association.

19 (5) A lien under this section is not subject to chapter 6.13 RCW.

20 (6) If the association forecloses its lien under this section  
21 nonjudicially pursuant to chapter 61.24 RCW, as provided under  
22 subsection (13) of this section, the association is not entitled to  
23 the lien priority provided for under subsection (3) of this section,  
24 and is subject to the limitations on deficiency judgments as provided  
25 in chapter 61.24 RCW.

26 (7) Unless the declaration provides otherwise, if two or more  
27 associations have liens for assessments created at any time on the  
28 same property, those liens have equal priority as to each other, and  
29 any foreclosure of one such lien shall not affect the lien of the  
30 other.

31 (8) Recording of the declaration constitutes record notice and  
32 perfection of the statutory lien created under this section. Further  
33 notice or recordation of any claim of lien for assessment under this  
34 section is not required, but is not prohibited.

35 (9) A lien for unpaid assessments and the personal liability for  
36 payment of those assessments are extinguished unless proceedings to  
37 enforce the lien or collect the debt are instituted within six years  
38 after the full amount of the assessments sought to be recovered  
39 becomes due.

1 (10) This section does not prohibit actions against unit owners  
2 to recover sums for which subsection (1) of this section creates a  
3 lien or prohibit an association from taking a deed in lieu of  
4 foreclosure.

5 (11) The association upon written request must furnish to a unit  
6 owner or a mortgagee a statement signed by an officer or authorized  
7 agent of the association setting forth the amount of unpaid  
8 assessments or the priority amount against that unit, or both. The  
9 statement must be furnished within 15 days after receipt of the  
10 request and is binding on the association, the board, and every unit  
11 owner unless, and to the extent, known by the recipient to be false.  
12 The liability of a recipient who reasonably relies upon the statement  
13 must not exceed the amount set forth in any statement furnished  
14 pursuant to this section or RCW 64.90.640(1)(b).

15 (12) In a cooperative, upon nonpayment of an assessment on a  
16 unit, the unit owner may be evicted in the same manner as provided by  
17 law in the case of an unlawful holdover by a commercial tenant, and  
18 the lien may be foreclosed as provided under this section.

19 (13) The association's lien may be foreclosed in accordance with  
20 (a) and (b) of this subsection.

21 (a) In a common interest community other than a cooperative, the  
22 association's lien may be foreclosed judicially in accordance with  
23 chapter 61.12 RCW, subject to any rights of redemption under chapter  
24 6.23 RCW.

25 (b) The lien may be enforced nonjudicially in the manner set  
26 forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of  
27 trust if the declaration: Contains a grant of the common interest  
28 community in trust to a trustee qualified under RCW 61.24.010 to  
29 secure the obligations of the unit owners to the association for the  
30 payment of assessments, contains a power of sale, provides in its  
31 terms that the units are not used principally for agricultural  
32 purposes, and provides that the power of sale is operative in the  
33 case of a default in the obligation to pay assessments. The  
34 association or its authorized representative may purchase the unit at  
35 the foreclosure sale and acquire, hold, lease, mortgage, or convey  
36 the unit. Upon an express waiver in the complaint of any right to a  
37 deficiency judgment in a judicial foreclosure action, the period of  
38 redemption is eight months.

39 (c) In a cooperative in which the unit owners' interests in the  
40 units are real estate, the association's lien must be foreclosed in

1 like manner as a mortgage on real estate or by power of sale under  
2 (b) of this subsection.

3 (d) In a cooperative in which the unit owners' interests in the  
4 units are personal property, the association's lien must be  
5 foreclosed in like manner as a security interest under chapter 62A.9A  
6 RCW.

7 (e) No member of the association's board, or their immediate  
8 family members or affiliates, are eligible to bid for or purchase,  
9 directly or indirectly, any interest in a unit at a foreclosure of  
10 the association's lien. For the purposes of this subsection,  
11 "immediate family member" includes spouses, domestic partners,  
12 children, siblings, parents, parents-in-law, and stepfamily members;  
13 and "affiliate" of a board member includes any person controlled by  
14 the board member, including any entity in which the board member is a  
15 general partner, managing member, majority member, officer, or  
16 director. Nothing in this subsection prohibits an association from  
17 bidding for or purchasing interest in a unit at a foreclosure of the  
18 association's lien.

19 (14) If the unit owner's interest in a unit in a cooperative is  
20 real estate, the following requirements apply:

21 (a) The association, upon nonpayment of assessments and  
22 compliance with this subsection, may sell that unit at a public sale  
23 or by private negotiation, and at any time and place. The association  
24 must give to the unit owner and any lessee of the unit owner  
25 reasonable notice in a record of the time, date, and place of any  
26 public sale or, if a private sale is intended, of the intention of  
27 entering into a contract to sell and of the time and date after which  
28 a private conveyance may be made. Such notice must also be sent to  
29 any other person that has a recorded interest in the unit that would  
30 be cut off by the sale, but only if the recorded interest was on  
31 record seven weeks before the date specified in the notice as the  
32 date of any public sale or seven weeks before the date specified in  
33 the notice as the date after which a private sale may be made. The  
34 notices required under this subsection may be sent to any address  
35 reasonable in the circumstances. A sale may not be held until five  
36 weeks after the sending of the notice. The association may buy at any  
37 public sale and, if the sale is conducted by a fiduciary or other  
38 person not related to the association, at a private sale.

39 (b) Unless otherwise agreed to or as stated in this section, the  
40 unit owner is liable for any deficiency in a foreclosure sale.

1 (c) The proceeds of a foreclosure sale must be applied in the  
2 following order:

3 (i) The reasonable expenses of sale;

4 (ii) The reasonable expenses of securing possession before sale;  
5 the reasonable expenses of holding, maintaining, and preparing the  
6 unit for sale, including payment of taxes and other governmental  
7 charges and premiums on insurance; and, to the extent provided for by  
8 agreement between the association and the unit owner, reasonable  
9 attorneys' fees, costs, and other legal expenses incurred by the  
10 association;

11 (iii) Satisfaction of the association's lien;

12 (iv) Satisfaction in the order of priority of any subordinate  
13 claim of record; and

14 (v) Remittance of any excess to the unit owner.

15 (d) A good-faith purchaser for value acquires the unit free of  
16 the association's debt that gave rise to the lien under which the  
17 foreclosure sale occurred and any subordinate interest, even though  
18 the association or other person conducting the sale failed to comply  
19 with this section. The person conducting the sale must execute a  
20 conveyance to the purchaser sufficient to convey the unit and stating  
21 that it is executed by the person after a foreclosure of the  
22 association's lien by power of sale and that the person was empowered  
23 to make the sale. Signature and title or authority of the person  
24 signing the conveyance as grantor and a recital of the facts of  
25 nonpayment of the assessment and of the giving of the notices  
26 required under this subsection are sufficient proof of the facts  
27 recited and of the authority to sign. Further proof of authority is  
28 not required even though the association is named as grantee in the  
29 conveyance.

30 (e) At any time before the association has conveyed a unit in a  
31 cooperative or entered into a contract for its conveyance under the  
32 power of sale, the unit owners or the holder of any subordinate  
33 security interest may cure the unit owner's default and prevent sale  
34 or other conveyance by tendering the performance due under the  
35 security agreement, including any amounts due because of exercise of  
36 a right to accelerate, plus the reasonable expenses of proceeding to  
37 foreclosure incurred to the time of tender, including reasonable  
38 attorneys' fees and costs of the creditor.

39 (15) In an action by an association to collect assessments or to  
40 foreclose a lien on a unit under this section, the court may appoint

1 a receiver to collect all sums alleged to be due and owing to a unit  
2 owner before commencement or during pendency of the action. The  
3 receivership is governed under chapter 7.60 RCW. During pendency of  
4 the action, the court may order the receiver to pay sums held by the  
5 receiver to the association for any assessments against the unit. The  
6 exercise of rights under this subsection by the association does not  
7 affect the priority of preexisting liens on the unit.

8 (16) Except as provided in subsection (3) of this section, the  
9 holder of a mortgage or other purchaser of a unit who obtains the  
10 right of possession of the unit through foreclosure is not liable for  
11 assessments or installments of assessments that became due prior to  
12 such right of possession. Such unpaid assessments are deemed to be  
13 common expenses collectible from all the unit owners, including such  
14 mortgagee or other purchaser of the unit. Foreclosure of a mortgage  
15 does not relieve the prior unit owner of personal liability for  
16 assessments accruing against the unit prior to the date of such sale  
17 as provided in this subsection.

18 (17) In addition to constituting a lien on the unit, each  
19 assessment is the joint and several obligation of the unit owner of  
20 the unit to which the same are assessed as of the time the assessment  
21 is due. A unit owner may not exempt himself or herself from liability  
22 for assessments. In a voluntary conveyance other than by foreclosure,  
23 the grantee of a unit is jointly and severally liable with the  
24 grantor for all unpaid assessments against the grantor up to the time  
25 of the grantor's conveyance, without prejudice to the grantee's right  
26 to recover from the grantor the amounts paid by the grantee. Suit to  
27 recover a personal judgment for any delinquent assessment is  
28 maintainable in any court of competent jurisdiction without  
29 foreclosing or waiving the lien securing such sums.

30 (18) The association may from time to time establish reasonable  
31 late charges and a rate of interest to be charged, not to exceed the  
32 maximum rate calculated under RCW 19.52.020, on all subsequent  
33 delinquent assessments or installments of assessments. If the  
34 association does not establish such a rate, delinquent assessments  
35 bear interest from the date of delinquency at the maximum rate  
36 calculated under RCW 19.52.020 on the date on which the assessments  
37 became delinquent.

38 (19) The association is entitled to recover any costs and  
39 reasonable attorneys' fees incurred in connection with the collection  
40 of delinquent assessments, whether or not such collection activities

1 result in a suit being commenced or prosecuted to judgment. The  
2 prevailing party is also entitled to recover costs and reasonable  
3 attorneys' fees in such suits, including any appeals, if it prevails  
4 on appeal and in the enforcement of a judgment.

5 (20) To the extent not inconsistent with this section, the  
6 declaration may provide for such additional remedies for collection  
7 of assessments as may be permitted by law.

8 (21)(a) When the association mails to the unit owner by first-  
9 class mail the first notice of delinquency for past due assessments  
10 to the unit address and to any other address that the owner has  
11 provided to the association, the association shall include a first  
12 preforeclosure notice that states as follows:

13 **THIS IS A NOTICE OF DELINQUENCY FOR PAST DUE ASSESSMENTS**  
14 **FROM THE UNIT OWNERS ASSOCIATION TO WHICH YOUR HOME BELONGS.**  
15 **THIS NOTICE IS ONE STEP IN A PROCESS THAT COULD RESULT IN YOUR LOSING**  
16 **YOUR HOME.**  
17 **CONTACT A HOUSING COUNSELOR OR AN ATTORNEY LICENSED IN WASHINGTON NOW**  
18 to assess your situation and refer you to mediation if you might  
19 benefit. **DO NOT DELAY.**  
20 **BE CAREFUL** of people who claim they can help you. There are many  
21 individuals and businesses that prey upon borrowers in distress.  
22 **REFER TO THE CONTACTS BELOW** for sources of assistance.

23 **SEEKING ASSISTANCE**

24 Housing counselors and legal assistance may be available at  
25 little or no cost to you. If you would like assistance in determining  
26 your rights and opportunities to keep your house, you may contact the

35 Telephone: . . . . . Website: . . . . .

36 The association shall obtain the toll-free numbers and website  
37 information from the department of commerce for inclusion in the  
38 notice.

1 (b) If, when a delinquent account is referred to an association's  
2 attorney, the first preforeclosure notice required under (a) of this  
3 subsection has not yet been mailed to the unit owner, the association  
4 or the association's attorney shall mail the first preforeclosure  
5 notice to the unit owner in order to satisfy the requirement in (a)  
6 of this subsection.

7 (c) Mailing the first preforeclosure notice pursuant to (a) of  
8 this subsection does not satisfy the requirement in subsection  
9 (22)(b) of this section to mail a second preforeclosure notice at or  
10 after the date that assessments have become past due for at least 90  
11 days. The second preforeclosure notice may not be mailed sooner than  
12 60 days after the first preforeclosure notice is mailed.

13 (22) An association may not commence an action to foreclose a  
14 lien on a unit under this section unless:

15 (a) The unit owner, at the time the action is commenced, owes at  
16 least a sum equal to the greater of:

17 (i) Three months or more of assessments, not including fines,  
18 late charges, interest, attorneys' fees, or costs incurred by the  
19 association in connection with the collection of a delinquent owner's  
20 account; or

21 (ii) \$2,000 of assessments, not including fines, late charges,  
22 interest, attorneys' fees, or costs incurred by the association in  
23 connection with the collection of a delinquent owner's account;

24 (b) At or after the date that assessments have become past due  
25 for at least 90 days, but no sooner than 60 days after the first  
26 preforeclosure notice required in subsection (21)(a) of this section  
27 is mailed, the association has mailed, by first-class mail, to the  
28 owner, at the unit address and to any other address which the owner  
29 has provided to the association, a second notice of delinquency,  
30 which must include a second preforeclosure notice that contains the  
31 same information as the first preforeclosure notice provided to the  
32 owner pursuant to subsection (21)(a) of this section. The second  
33 preforeclosure notice may not be mailed sooner than 60 days after the  
34 first preforeclosure notice required in subsection (21)(a) of this  
35 section is mailed;

36 (c) At least 90 days have elapsed from the date the minimum  
37 amount required in (a) of this subsection has accrued; and

38 (d) The board approves commencement of a foreclosure action  
39 specifically against that unit.

1 (23) Every aspect of a collection, foreclosure, sale, or other  
2 conveyance under this section, including the method, advertising,  
3 time, date, place, and terms, must be commercially reasonable.

4 **Sec. 21.** RCW 64.90.513 and 2022 c 27 s 4 are each amended to  
5 read as follows:

6 (1)(a) A unit owners association may not adopt or enforce a  
7 restriction, covenant, condition, bylaw, rule, regulation, provision  
8 of a governing document, or master deed provision that:

9 (i) Effectively prohibits or unreasonably restricts the  
10 installation or use of an electric vehicle charging station in  
11 compliance with the requirements of this section and for the personal  
12 noncommercial use of a unit owner, within the boundaries of a unit or  
13 in a designated parking space; or

14 (ii) Is in conflict with the provisions of this section.

15 (b) Nothing in this section prohibits an association from  
16 imposing reasonable restrictions on electric vehicle charging  
17 stations. However, it is the policy of the state to promote,  
18 encourage, and remove obstacles to the use of electric vehicle  
19 charging stations.

20 (c) Notwithstanding (a) or (b) of this subsection, an association  
21 of single-family homes, site condominiums, or a planned use  
22 development where the units are not immediately adjacent may not  
23 require approval of the installation of an electric vehicle charging  
24 station unless the electric vehicle charging station:

25 (i) Is installed within or upon a common element; or

26 (ii) Is connected to a common electrical power supply.

27 (2) A unit owners association may require a unit owner to submit  
28 an application for approval for the installation of an electric  
29 vehicle charging station before installing the charging station  
30 unless such installation is exempt from restrictions pursuant to  
31 subsection (1)(c) of this section.

32 (3)(a) If approval is required for the installation or use of an  
33 electric vehicle charging station subject to subsection (2) of this  
34 section, the application for approval must be processed and approved  
35 in the same manner as an application for approval of an architectural  
36 modification.

37 (b) The approval or denial of an application must be in writing  
38 and must not be willfully avoided or delayed.

1 (c) If an application is not denied in writing within 60 days  
2 from the date of receipt of the application, the application is  
3 deemed approved, unless that delay is the result of a reasonable  
4 request for additional information.

5 (d) An association may not assess or charge a unit owner a fee  
6 for the placement of an electric vehicle charging station. An  
7 association may charge a reasonable fee for processing the  
8 application to approve the installation of an electric vehicle  
9 charging station, but only if such a fee exists for all applications  
10 for approval of architectural modifications.

11 (4) If approval is required for the installation or use of an  
12 electric vehicle charging station subject to subsection (2) of this  
13 section, a unit owners association must approve the installation  
14 within the boundaries of a unit or in a designated parking space if  
15 the installation is reasonably possible and the unit owner agrees in  
16 writing to:

17 (a) Comply with the association's reasonable architectural  
18 standards applicable to the installation of the electric vehicle  
19 charging station;

20 (b) Engage an electrical contractor familiar with the standards  
21 for the installation of electric vehicle infrastructure to assess the  
22 existing infrastructure necessary to support the proposed electric  
23 vehicle charging station, identify additional infrastructure needs,  
24 and install the electric vehicle charging station;

25 (c)(i) Provide, within the time specified in (c)(ii) of this  
26 subsection, a certificate of insurance naming the association as an  
27 additional insured on the unit owner's insurance policy for any claim  
28 related to the installation, inspection, maintenance, or use of the  
29 electric vehicle charging station in a common interest community  
30 other than an association of single-family homes, site condominiums,  
31 or a planned use development where the units are not immediately  
32 adjacent;

33 (ii) A certificate of insurance required under (c)(i) of this  
34 subsection must be provided within 14 days after the association  
35 approves the installation of the electric vehicle charging station.  
36 Reimbursement for an increased insurance premium amount under (c)(i)  
37 of this subsection must be provided within 14 days after the unit  
38 owner receives the association's invoice for the amount attributable  
39 to the charging station;

1 (d) Register the electric vehicle charging station with the  
2 association within 30 days after installation;

3 (e) Pay for the electricity usage associated with the electric  
4 vehicle charging station and the required means to facilitate payment  
5 for the electricity; and

6 (f) Comply with the requirements of this section.

7 (5)(a) A unit owner must obtain any permit or approval for an  
8 electric vehicle charging station as required by the local government  
9 in which the common interest community is located and comply with all  
10 relevant building codes and safety standards.

11 (b) An electric vehicle charging station must meet all applicable  
12 health and safety standards and requirements imposed by national,  
13 state, or local authorities, and all other applicable zoning, land  
14 use or other ordinances, building codes, or land use permits.

15 (6)(a) Unless otherwise agreed to by written contract with the  
16 unit owners association, a unit owner is responsible for the costs of  
17 installing an electric vehicle charging station.

18 (b) Electric vehicle charging station equipment that is installed  
19 at the unit owner's cost and is removable without damage to the  
20 property owned by others may be removed at the unit owner's cost.  
21 Nothing in this subsection requires the association to purchase the  
22 electric vehicle charging station.

23 (7) ((A)) When an installed electric vehicle charging station is  
24 not exempt from restrictions pursuant to subsection (1)(c) of this  
25 section, a unit owner must disclose to any prospective buyers of the  
26 unit:

27 (a) The existence of an electric vehicle charging station and the  
28 related responsibilities of the owner under this section; and

29 (b) Whether the electric vehicle charging station is removable  
30 and whether the owner intends to remove the charging station.

31 (8) ((The)) Except as set forth in the governing documents and  
32 without regard for when an electric vehicle charging station was  
33 first put into service and the location of any components thereof,  
34 the owner and each successive owner of an electric vehicle charging  
35 station exclusively serving the owner's unit is responsible for:

36 (a) Costs for the inspection, maintenance, repair, and  
37 replacement of the electric vehicle charging station up until the  
38 station is removed;

39 (b) Costs for damage to the electric vehicle charging station,  
40 any unit, common element, or limited common element resulting from

1 the installation, use, inspection, maintenance, repair, removal, or  
2 replacement of the electric vehicle charging station;

3 (c) The cost of electricity associated with the electric vehicle  
4 charging station;

5 (d) Obtaining and maintaining an insurance policy that meets the  
6 requirements in subsection (4) (c) of this section;

7 (e) If the owner decides to remove the electric vehicle charging  
8 station, costs for the removal and the restoration of the common  
9 element or limited common element after the removal; and

10 (f) Removing the electric vehicle charging station if reasonably  
11 necessary for the inspection, repair, maintenance, or replacement of  
12 the common element or limited common element.

13 (9) A unit owners association may install an electric vehicle  
14 charging station in the common elements for the use of all unit  
15 owners and, in that case, the association must develop appropriate  
16 terms of use for the charging station.

17 (10) (a) A unit owners association that willfully violates this  
18 section is liable to the unit owner for actual damages, and shall pay  
19 a civil penalty to the unit owner in an amount not to exceed \$1,000.

20 (b) In any action by a unit owner requesting to have an electric  
21 vehicle charging station installed and seeking to enforce compliance  
22 with this section, the court shall award reasonable attorneys' fees  
23 and costs to any prevailing unit owner.

24 (11) The definitions in this subsection apply throughout this  
25 section unless the context clearly requires otherwise.

26 (a) "Designated parking space" means a parking space that is  
27 specifically designated for use by a particular unit owner, including  
28 a garage, a deeded parking space, and a parking space in a limited  
29 common element that is restricted for use by one or more unit owners.

30 (b) "Electric vehicle charging station" means a station that  
31 delivers electricity from a source outside an electric vehicle into  
32 one or more electric vehicles. An electric vehicle charging station  
33 may include several charge points simultaneously connecting several  
34 electric vehicles to the station and any related equipment needed to  
35 facilitate charging plug-in electric vehicles.

36 (c) "Reasonable restriction" means a restriction that does not  
37 significantly increase the cost of an electric vehicle charging  
38 station or significantly decrease its efficiency or specified  
39 performance.

1       **Sec. 22.** RCW 64.90.525 and 2018 c 277 s 326 are each amended to  
2 read as follows:

3       (1)(a) Within thirty days after adoption of any proposed budget  
4 for the common interest community, the board must provide a copy of  
5 the budget to all the unit owners and set a date for a meeting of the  
6 unit owners to consider ratification of the budget not less than  
7 fourteen nor more than fifty days after providing the budget. Unless  
8 at that meeting the unit owners of units to which a majority of the  
9 votes in the association are allocated or any larger percentage  
10 specified in the declaration reject the budget, the budget and the  
11 assessments against the units included in the budget are ratified,  
12 whether or not a quorum is present.

13       (b) If the proposed budget is rejected or the required notice is  
14 not given, the periodic budget last ratified by the unit owners  
15 continues until the unit owners ratify a subsequent budget proposed  
16 by the board.

17       (2) The budget must include:

18       (a) The projected income to the association by category;

19       (b) The projected common expenses (~~and those specially allocated~~  
20 ~~expenses that are subject to being budgeted, both~~) by category;

21       (c) The amount of the assessments per unit and the date the  
22 assessments are due;

23       (d) The current amount of regular assessments budgeted for  
24 contribution to the reserve account;

25       (e) A statement of whether the association has a reserve study  
26 that meets the requirements of RCW 64.90.550 and, if so, the extent  
27 to which the budget meets or deviates from the recommendations of  
28 that reserve study; and

29       (f) The current deficiency or surplus in reserve funding  
30 expressed on a per unit basis.

31       (3) The board, at any time, may propose a special assessment. The  
32 assessment is effective only if the board follows the procedures for  
33 ratification of a budget described in subsection (1) of this section  
34 and the unit owners do not reject the proposed assessment. The board  
35 may provide that the special assessment may be due and payable in

29 read as follows:

30 (1)(a) A unit owners association may not adopt or enforce a  
31 restriction, covenant, condition, bylaw, rule, regulation, provision  
32 of a governing document, or master deed provision that:

33 (i) Effectively prohibits or unreasonably restricts the  
34 installation or use of a heat pump in compliance with the  
35 requirements of this section and for the personal use of a unit owner  
36 within the boundaries of a unit; or

37 (ii) Is in conflict with the provisions of this section.

38 (b) Nothing in this section prohibits an association from  
39 imposing reasonable restrictions on heat pumps.

1 (c) This section must not be construed to permit installation by  
2 a unit owner of heat pump equipment on or in common elements without  
3 approval of the board which shall not be unreasonably withheld.

4 (2) A unit owners association may require a unit owner to submit  
5 an application for approval for the installation of a heat pump  
6 before installing the heat pump.

7 (3)(a) If approval is required for the installation of a heat

13 (c) If an application is not denied in writing within 60 days

16 request for additional information.

17 (d) An association may not assess or charge a unit owner a fee  
18 for the installation of a heat pump. An association may charge a  
19 reasonable fee for processing the application to approve the  
20 installation of a heat pump, but only if such a fee exists for all  
21 applications for approval of architectural modifications.

22 (4) If approval is required for the installation of a heat pump,  
23 a unit owners association must approve the installation if the  
24 installation is reasonably possible and the unit owner agrees in  
25 writing to:

26 (a) Comply with the association's reasonable architectural  
27 standards applicable to the installation of the heat pump;

28 (b) Engage a heating, ventilation, and air conditioning (HVAC)  
29 contractor familiar with the standards for the installation of heat  
30 pumps to assess the existing infrastructure necessary to support the

33 (c) Comply with the requirements of this section.

34 (5)(a) A unit owner must obtain any permit or approval for a heat  
35 pump as required by the local government in which the common interest

37 safety standards.

38 (b) A heat pump must meet all applicable health and safety  
39 standards and requirements imposed by national, state, or local

1 authorities, and all other applicable zoning, land use or other  
2 ordinances, building codes, or land use permits.

3 (6) (a) Unless otherwise agreed to by written contract with the  
4 unit owners association, a unit owner is responsible for the costs of  
5 installing a heat pump.

6 (b) Heat pump equipment that is installed at the unit owner's  
7 cost and is removable without damage to the property owned by others  
8 may be removed at the unit owner's cost.

9 (7) (~~the~~) Except as set forth in the governing documents and  
10 without regard for when a heat pump was first put into service and  
11 the location of any components thereof, the unit owner and each  
12 successive owner of (~~the~~) a heat pump exclusively serving the  
13 owner's unit is responsible for:

25 or limited common element.

26 (8) (a) A unit owners association that willfully violates this  
27 section is liable to the unit owner for actual damages, and shall pay  
28 a civil penalty to the unit owner in an amount not to exceed \$1,000.

29 (b) In any action by a unit owner requesting to have a heat pump  
30 installed and seeking to enforce compliance with this section, the  
31 court shall award reasonable attorneys' fees and costs to any  
32 prevailing unit owner.

33 (9) For the purposes of this section:

34 (a) "Heat pump" means a heating or refrigerating system used to  
35 transfer heat. The heat pump condenser and evaporator may change  
36 roles to transfer heat in either direction. By receiving the flow of  
37 air or other fluid, a heat pump is used to cool or heat.

38 (b) "Reasonable restriction" means a restriction that does not  
39 significantly increase the cost of a heat pump or significantly

35 contract for the purchase of your unit.

36 (2) You have no right to cancel your contract upon receipt of an  
37 amendment to this public offering statement; however, this does not  
38 eliminate any right to rescind your contract, due to the disclosure  
39 of the information in the amendment, that is otherwise available to  
40 you under generally applicable contract law.

1 (3) If you elect to cancel your contract pursuant to this notice,  
2 you may do so by hand-delivering notice of cancellation, or by  
3 mailing notice of cancellation by prepaid United States mail, to the  
4 seller at the address set forth in this public offering statement or  
5 at the address of the seller's registered agent for service of  
6 process. The date of such notice is the date of receipt, if hand-  
7 delivered, or the date of deposit in the United States mail, if  
8 mailed. Cancellation is without penalty, and all payments made to the  
9 seller by you before cancellation must be refunded promptly."

10 (b) "OTHER DOCUMENTS CREATING BINDING LEGAL OBLIGATIONS. This  
11 public offering statement is a summary of some of the significant  
12 aspects of purchasing a unit in this common interest community. The  
13 governing documents and the purchase agreement are complex, contain  
14 other important information, and create binding legal obligations.  
15 You should consider seeking the assistance of legal counsel."

16 (c) "OTHER REPRESENTATIONS. You may not rely on any statement,  
17 promise, model, depiction, or description unless it is (1) contained  
18 in the public offering statement delivered to you or (2) made in  
19 writing signed by the declarant or dealer or the declarant's or  
20 dealer's agent identified in the public offering statement. A  
21 statement of opinion, or a commendation of the real estate, its  
22 quality, or its value, does not create a warranty, and a statement,  
23 affirmation, promise, model, depiction, or description does not  
24 create a warranty if it discloses that it is only proposed, is not  
25 representative, or is subject to change."

26 (d) "MODEL UNITS. Model units are intended to provide you with a  
27 general idea of what a finished unit might look like. Units being  
28 offered for sale may vary from the model unit in terms of floor plan,  
29 fixtures, finishes, and equipment. You are advised to obtain specific  
30 information about the unit you are considering purchasing."

31 (e) "RESERVE STUDY. The association [does] [does not] have a  
32 current reserve study. Any reserve study should be reviewed  
33 carefully. It may not include all reserve components that will  
34 require major maintenance, repair, or replacement in future years,  
35 and may not include regular contributions to a reserve account for  
36 the cost of such maintenance, repair, or replacement. You may  
37 encounter certain risks, including being required to pay as a special  
38 assessment your share of expenses for the cost of major maintenance,  
39 repair, or replacement of a reserve component, as a result of the  
40 failure to: (1) Have a current reserve study or fully funded

1 reserves, (2) include a component in a reserve study, or (3) provide  
2 any or sufficient contributions to a reserve account for a  
3 component."

4 (f) "DEPOSITS AND PAYMENTS. Only earnest money and reservation  
5 deposits are required to be placed in an escrow or trust account. Any  
6 other payments you make to the seller of a unit are at risk and may  
7 be lost if the seller defaults."

8 (g) "CONSTRUCTION DEFECT CLAIMS. Chapter 64.50 RCW contains  
9 important requirements you must follow before you may file a lawsuit  
10 for defective construction against the seller or builder of your  
11 home. Forty-five days before you file your lawsuit, you must deliver  
12 to the seller or builder a written notice of any construction  
13 conditions you allege are defective and provide your seller or  
14 builder the opportunity to make an offer to repair or pay for the  
15 defects. You are not obligated to accept any offer made by the  
16 builder or seller. There are strict deadlines and procedures under  
17 state law, and failure to follow them may affect your ability to file  
18 a lawsuit."

19 (h) "ASSOCIATION INSURANCE. The extent to which association  
20 insurance provides coverage for the benefit of unit owners (including  
21 furnishings, fixtures, and equipment in a unit) is determined by the  
22 provisions of the declaration and the association's insurance policy,  
23 which may be modified from time to time. You and your personal  
24 insurance agent should read the declaration and the association's  
25 policy prior to closing to determine what insurance is required of  
26 the association and unit owners, unit owners' rights and duties, what  
27 is and is not covered by the association's policy, and what  
28 additional insurance you should obtain."

29 (i) "QUALIFIED WARRANTY. Your unit [is] [is not] covered by a  
30 qualified warranty under chapter 64.35 RCW."

31 (j) "THIS UNIT IS LOCATED WITHIN A COMMON INTEREST COMMUNITY AND  
32 IS SUBJECT TO THE DECLARATION, BYLAWS, RULES, AND OTHER WRITTEN  
33 INSTRUMENTS GRANTING AUTHORITY TO THE ASSOCIATION AS ADOPTED (THE  
34 "GOVERNING DOCUMENTS").

35 THE PURCHASER OF THIS UNIT WILL BE REQUIRED TO BE A MEMBER OF THE  
36 ASSOCIATION AND WILL BE SUBJECT TO THE GOVERNING DOCUMENTS.

37 THE GOVERNING DOCUMENTS WILL IMPOSE FINANCIAL OBLIGATIONS UPON  
38 THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS TO  
39 THE ASSOCIATION WHICH MAY INCLUDE REGULAR AND SPECIAL ASSESSMENTS,

1 FINES, FEES, INTEREST, LATE CHARGES, AND COSTS OF COLLECTION,  
2 INCLUDING REASONABLE ATTORNEYS' FEES.

3 THE ASSOCIATION HAS A STATUTORY LIEN ON EACH INDIVIDUAL UNIT FOR  
4 ANY UNPAID ASSESSMENT FROM THE TIME IT IS DUE. FAILURE TO PAY  
5 ASSESSMENTS COULD RESULT IN THE FILING OF A LIEN ON THE UNIT AND LOSS  
6 OF THE UNIT THROUGH FORECLOSURE.

7 THE GOVERNING DOCUMENTS MAY PROHIBIT OWNERS FROM MAKING CHANGES  
8 TO THE UNIT WITHOUT REVIEW AND THE APPROVAL OF THE ASSOCIATION, AND  
9 MAY ALSO IMPOSE RESTRICTIONS ON THE USE OF (~~(THE)~~) THE UNIT,  
10 DISPLAY OF SIGNS, CERTAIN BEHAVIORS, AND OTHER ITEMS.

11 PURCHASERS OF THIS UNIT SHOULD CAREFULLY REVIEW THE FINANCIAL  
12 OBLIGATIONS OF MEMBERS OF THE ASSOCIATION, THE CURRENT STATE OF THE  
13 ASSOCIATION'S FINANCES, THE CURRENT RESERVE STUDY, IF ANY, THE  
14 GOVERNING DOCUMENTS, AND THE OTHER INFORMATION AVAILABLE IN THE  
15 RESALE CERTIFICATE. THE GOVERNING DOCUMENTS CONTAIN IMPORTANT  
16 INFORMATION AND CREATE BINDING LEGAL OBLIGATIONS. YOU SHOULD CONSIDER  
17 SEEKING THE ASSISTANCE OF LEGAL COUNSEL."

18 (3) The public offering statement must include copies of each of  
19 the following documents: The declaration; the map; the organizational  
20 documents; the rules, if any; the current or proposed budget for the  
21 association; a dated balance sheet of the association; any inspection  
22 and repair report or reports prepared in accordance with the  
23 requirements of RCW 64.55.090; and any qualified warranty provided to  
24 a purchaser by a declarant together with a history of claims under  
25 the qualified warranty. If any of these documents are not in final  
26 form, the documents must be marked "draft" and, before closing the  
27 sale of a unit, the purchaser must be given notice of any material  
28 changes to the draft documents.

29 (4) A declarant must promptly amend the public offering statement  
30 to reflect any material change in the information required under this  
31 section.

32 **Sec. 28.** RCW 64.90.635 and 2024 c 321 s 328 are each amended to  
33 read as follows:

34 (1) A person required to deliver a public offering statement  
35 pursuant to RCW 64.90.605(3)(a) shall provide a purchaser with a copy  
36 of the public offering statement and all amendments thereto before  
37 conveyance of the unit(~~(, and not later than the date of any contract~~  
38 ~~of sale)~~). The purchaser may cancel a contract for the purchase of  
39 the unit within seven days after first receiving the public offering

1 statement. If the public offering statement is first provided to a  
2 purchaser more than seven days before execution of a contract for the  
3 purchase of a unit, the purchaser does not have the right under this  
4 section to cancel the executed contract. If the public offering  
5 statement is first provided to a purchaser seven days or less before  
6 the purchaser signs a contract for the purchase of a unit, the  
7 purchaser, before conveyance of the unit to the purchaser, may cancel  
8 the contract by delivering, no later than the seventh day after first  
9 receiving the public offering statement, a notice of cancellation,  
10 delivered pursuant to subsection (3) of this section. If the public  
11 offering statement is first provided to a purchaser less than seven  
12 days before the closing date for the conveyance of that unit, the  
13 purchaser may, before conveyance of the unit to the purchaser, extend  
14 the closing date to a date not more than seven days after the  
15 purchaser first received the public offering statement.

16 (2) A purchaser does not have the right under this section to  
17 cancel a contract upon receipt of an amendment to a public offering  
18 statement. This subsection does not eliminate any right that is  
19 otherwise available to the purchaser under generally applicable  
20 contract law to rescind the contract due to a material change in the  
21 information disclosed in the amendment.

22 (3) If a purchaser elects to cancel a contract under subsection  
23 (1) of this section, the purchaser may do so by hand-delivering  
24 notice of cancellation, or by mailing notice of cancellation by  
25 prepaid United States mail, to the declarant at the address set forth  
26 in the public offering statement or at the address of the declarant's  
27 registered agent for service of process. The date of such notice is  
28 the date of receipt of delivery, if hand-delivered, or the date of  
29 deposit in the United States mail, if mailed. Cancellation is without  
30 penalty, and all payments made to the seller by the purchaser before  
31 cancellation must be refunded promptly. There is no liability for  
32 failure to deliver any amendment unless such failure would have  
33 entitled the purchaser under generally applicable legal principles to  
34 cancel the contract for the purchase of the unit had the undisclosed  
35 information been evident to the purchaser before the closing of the  
36 purchase.

37 (4) The language of the notice required under RCW 64.90.610(2)(a)  
38 must not be construed to modify the rights set forth in this section.

1       **Sec. 29.** RCW 64.90.640 and 2024 c 321 s 329 are each amended to  
2 read as follows:

3       (1) Except in the case of a sale when delivery of a public  
4 offering statement is required, or unless exempt under RCW  
5 64.90.600(2) or unless the buyer of a unit within a common interest  
6 community has expressly waived the right to receive a resale  
7 certificate because it is unavailable as provided in RCW  
8 64.90.600(4), a unit owner must furnish to a purchaser before  
9 execution of any contract for sale of a unit, or otherwise before  
10 conveyance, a resale certificate, signed by an officer or authorized  
11 agent of the association and based on the books and records of the  
12 association and the actual knowledge of the person signing the  
13 certificate, containing:

14       (a) A statement disclosing any right of first refusal or other  
15 restraint on the free alienability of the unit contained in the  
16 declaration;

18 setting forth the amount of any assessment currently due, any  
19 delinquent assessments, and a statement of any special assessments  
20 that have been levied and have not been paid even though not yet due;

21       (c) A statement, which must be current to within 45 days, of any  
22 assessments against any unit in the condominium that are past due  
23 over 30 days;

25 monetary obligation of the association that is past due over 30 days;

26       (e) A statement of any other fees payable to the association by  
27 unit owners;

28       (f) A statement of any expenditure or anticipated repair or  
29 replacement cost reasonably anticipated to be in excess of five  
30 percent of the board-approved annual budget of the association,  
31 regardless of whether the unit owners are entitled to approve such  
32 cost;

33       (g) A statement whether the association does or does not have a  
34 reserve study prepared in accordance with RCW 64.90.545 and  
35 64.90.550;

36       (h) The annual financial statement of the association, including  
37 the audit report if it has been prepared, for the year immediately  
38 preceding the current year;

39       (i) The most recent balance sheet and revenue and expense  
40 statement, if any, of the association;

1 (j) The current operating budget of the association;

2 (k) A statement of any unsatisfied judgments against the  
3 association and the status of any legal actions in which the  
4 association is a party or a claimant as defined in RCW 64.50.010;

5 (l) A statement describing any insurance coverage carried by the  
6 association and contact information for the association's insurance  
7 broker or agent;

8 (m) A statement as to whether the board has given or received  
9 notice in a record that any existing uses, occupancies, alterations,  
10 or improvements in or to the seller's unit or to the limited common  
11 elements allocated to the unit violate any provision of the governing  
12 documents;

13 (n) A statement of the number of units, if any, still owned by  
14 the declarant, whether the declarant has transferred control of the  
15 association to the unit owners, and the date of such transfer;

16 (o) A statement as to whether the board has received notice in a  
17 record from a governmental agency of any violation of environmental,  
18 health, or building codes with respect to the seller's unit, the  
19 limited common elements allocated to that unit, or any other portion  
20 of the common interest community that has not been cured;

21 (p) A statement of the remaining term of any leasehold estate  
22 affecting the common interest community and the provisions governing  
23 any extension or renewal of the leasehold estate;

24 (q) A statement of any restrictions in the declaration affecting  
25 the amount that may be received by a unit owner upon sale;

26 (r) In a cooperative, an accountant's statement, if any was  
27 prepared, as to the deductibility for federal income tax purposes by  
28 the unit owner of real estate taxes and interest paid by the  
29 association;

30 (s) A statement describing any pending sale or encumbrance of  
31 common elements;

32 (t) A statement disclosing the effect on the unit to be conveyed  
33 of any restriction on the right to use or occupy the unit, including  
34 a restriction on a lease or other rental of the unit;

35 (u) A copy of the declaration, the organizational documents, the  
36 rules or regulations of the association, the minutes of board  
37 meetings and association meetings, except for any information exempt  
38 from disclosure under RCW 64.90.495(3), for the last 12 months, a  
39 summary of the current reserve study for the association, and any  
40 other information reasonably requested by mortgagees of prospective

1 purchasers of units. Information requested generally by the federal  
2 national mortgage association, the federal home loan bank board, the  
3 government national mortgage association, the veterans  
4 administration, or the department of housing and urban development is  
5 deemed reasonable if the information is reasonably available to the  
6 association;

7 (v) A statement whether the units or common elements of the  
8 common interest community are covered by a qualified warranty under  
9 chapter 64.35 RCW and, if so, a history of claims known to the

16 insurance information, maintenance responsibilities, and any  
17 associated costs;

18 (y) If the association does not have a reserve study that has  
19 been prepared in accordance with RCW 64.90.545 and 64.90.550 or its  
20 governing documents, the following disclosure:

21 "This association does not have a current reserve study. The lack  
22 of a current reserve study poses certain risks to you, the purchaser.  
23 Insufficient reserves may, under some circumstances, require you to  
24 pay on demand as a special assessment your share of common expenses  
25 for the cost of major maintenance, repair, or replacement of a common  
26 element."; and

27 (z) The resale certificate must include a notice in substantially  
28 the following form and in conspicuous type:

29 "THIS UNIT IS LOCATED WITHIN A COMMON INTEREST COMMUNITY  
30 AND IS SUBJECT TO THE DECLARATION, BYLAWS, RULES, AND  
31 OTHER WRITTEN INSTRUMENTS GRANTING AUTHORITY TO THE  
32 ASSOCIATION AS ADOPTED (THE "GOVERNING DOCUMENTS").

33 THE PURCHASER OF THIS UNIT WILL BE REQUIRED TO BE A  
34 MEMBER OF THE ASSOCIATION AND WILL BE SUBJECT TO THE  
35 GOVERNING DOCUMENTS.

36 THE GOVERNING DOCUMENTS WILL IMPOSE FINANCIAL OBLIGATIONS  
37 UPON THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO  
38 PAY ASSESSMENTS TO THE ASSOCIATION WHICH MAY INCLUDE  
39 REGULAR AND SPECIAL ASSESSMENTS, FINES, FEES, INTEREST,

1 LATE CHARGES, AND COSTS OF COLLECTION, INCLUDING  
2 REASONABLE ATTORNEYS' FEES.

3 THE ASSOCIATION HAS A STATUTORY LIEN ON EACH INDIVIDUAL  
4 UNIT FOR ANY UNPAID ASSESSMENT FROM THE TIME IT IS DUE.  
5 FAILURE TO PAY ASSESSMENTS COULD RESULT IN THE FILING OF  
6 A LIEN ON THE UNIT AND LOSS OF THE UNIT THROUGH  
7 FORECLOSURE.

8 THE GOVERNING DOCUMENTS MAY PROHIBIT OWNERS FROM MAKING  
9 CHANGES TO THE UNIT WITHOUT REVIEW AND THE APPROVAL OF  
10 THE ASSOCIATION, AND MAY ALSO IMPOSE RESTRICTIONS ON THE  
11 USE OF (~~(THE)~~) THE UNIT, DISPLAY OF SIGNS, CERTAIN  
12 BEHAVIORS, AND OTHER ITEMS.

13 PURCHASERS OF THIS UNIT SHOULD CAREFULLY REVIEW THE  
14 FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION, THE  
15 CURRENT STATE OF THE ASSOCIATION'S FINANCES, THE CURRENT  
16 RESERVE STUDY, IF ANY, THE GOVERNING DOCUMENTS, AND THE  
17 OTHER INFORMATION AVAILABLE IN THE RESALE CERTIFICATE.  
18 THE GOVERNING DOCUMENTS CONTAIN IMPORTANT INFORMATION AND  
19 CREATE BINDING LEGAL OBLIGATIONS. YOU SHOULD CONSIDER  
20 SEEKING THE ASSISTANCE OF LEGAL COUNSEL."

21 (2) The association, within 10 days after a request by a unit  
22 owner, and subject to the payment of any fees imposed pursuant to RCW  
23 64.90.405(2)(m), must furnish a resale certificate signed by an  
24 officer or authorized agent of the association and containing the  
25 information necessary to enable the unit owner to comply with this  
26 section. For the purposes of this chapter, a reasonable charge for  
27 the preparation of a resale certificate may not exceed \$275. The  
28 association may charge a unit owner a nominal fee not to exceed \$100  
29 for updating a resale certificate within six months of the unit  
30 owner's request. A unit owner is not liable to the purchaser for any  
31 erroneous information provided by the association and included in the  
32 certificate.

33 (3)(a) A purchaser is not liable for any unpaid assessment or fee  
34 greater than the amount set forth in the certificate prepared by the  
35 association.

36 (b) (~~(A unit owner is not liable to a purchaser for the failure  
37 or delay of the association to provide the certificate in a timely  
38 manner, but the purchase contract is voidable by the purchaser until  
39 the certificate has been provided and for five days thereafter or  
40 until conveyance, whichever occurs first.)~~) The purchaser may cancel

1 a contract for the purchase of the unit within five days after first  
2 receiving the resale certificate. If the resale certificate is first  
3 provided to a purchaser more than five days before execution of a  
4 contract for the purchase of a unit, the purchaser does not have the  
5 right under this section to cancel the executed contract. If the  
6 resale certificate is first provided to a purchaser five days or less  
7 before the purchaser signs a contract for the purchase of a unit, the  
8 purchaser, before conveyance of the unit to the purchaser, may cancel  
9 the contract by delivering, no later than the fifth day after first  
10 receiving the resale certificate, a notice of cancellation to the  
11 seller. If the resale certificate is first provided to a purchaser  
12 less than five days before the closing date for the conveyance of  
13 that unit, the purchaser may, before conveyance of the unit to the  
14 purchaser, extend the closing date to a date not more than five days  
15 after the purchaser first received the resale certificate.

16 **Sec. 30.** RCW 64.90.665 and 2018 c 277 s 414 are each amended to  
17 read as follows:

18 (1) Subject to subsections (2) and (3) of this section, express  
19 warranties made by any declarant or dealer to a purchaser of a unit  
20 in a condominium, if relied upon by the purchaser in purchasing the  
21 unit, are created as follows:

22 (a) Any written affirmation of fact or written promise that  
23 relates to the unit, its use, or rights appurtenant to the unit or  
24 its use, improvements to the condominium that would directly benefit  
25 the unit, or the right to use or have the benefit of facilities not  
26 located in the condominium creates an express warranty that the unit  
27 and related rights and uses will not materially deviate from the  
28 affirmation or promise.

29 (b) Any written description of the physical characteristics of  
30 the condominium at the time the purchase agreement is executed,  
31 including plans and specifications of or for improvements, creates an  
32 express warranty that the condominium will conform to the written  
33 description in all material respects.

34 (c) Any written description of the quantity or extent of the real  
35 estate comprising the condominium, including plats or surveys,  
36 creates an express warranty that the condominium will conform to the  
37 description, subject to customary tolerances.

1 (d) A written statement that a purchaser may put a unit only to a  
2 specified use is an express warranty that the specified use is  
3 lawful.

4 (2) Subject to subsection (3) of this section, neither formal  
5 words, such as "warranty" or "guarantee," nor a specific intention to  
6 make a warranty are necessary to create an express warranty, but a  
7 statement of opinion or a commendation of the real estate, its  
8 quality, or its value does not create a warranty, and a statement,  
9 affirmation, promise, model, depiction, or description does not  
10 create a warranty if it discloses that it is only proposed, is not  
11 representative, or is subject to change.

12 (3) A purchaser may not rely on any statement, affirmation,  
13 promise, model, depiction, or description unless it is contained in  
14 the public offering statement delivered to the purchaser or made in a  
15 record signed by the declarant or dealer, or the declarant's or  
16 dealer's agent identified in the public offering statement.

17 (4) Any conveyance of a unit transfers to the purchaser all  
18 express warranties of quality made by the declarant or dealer.

19 **Sec. 31.** RCW 61.24.030 and 2023 c 206 s 2 are each amended to  
20 read as follows:

21 It shall be requisite to a trustee's sale:

22 (1) That the deed of trust contains a power of sale;

23 (2) That the deed of trust contains a statement that the real  
24 property conveyed is not used principally for agricultural purposes;  
25 provided, if the statement is false on the date the deed of trust was  
26 granted or amended to include that statement, and false on the date  
27 of the trustee's sale, then the deed of trust must be foreclosed  
28 judicially. Real property is used for agricultural purposes if it is  
29 used in an operation that produces crops, livestock, or aquatic  
30 goods;

31 (3) That a default has occurred in the obligation secured or a  
32 covenant of the grantor, which by the terms of the deed of trust  
33 makes operative the power to sell;

34 (4) That no action commenced by the beneficiary of the deed of  
35 trust is now pending to seek satisfaction of an obligation secured by  
36 the deed of trust in any court by reason of the grantor's default on  
37 the obligation secured: PROVIDED, That (a) the seeking of the  
38 appointment of a receiver, or the filing of a civil case to obtain  
39 court approval to access, secure, maintain, and preserve property

1 from waste or nuisance, shall not constitute an action for purposes  
2 of this chapter; and (b) if a receiver is appointed, the grantor  
3 shall be entitled to any rents or profits derived from property  
4 subject to a homestead as defined in RCW 6.13.010. If the deed of  
5 trust was granted to secure a commercial loan, this subsection shall  
6 not apply to actions brought to enforce any other lien or security  
7 interest granted to secure the obligation secured by the deed of  
8 trust being foreclosed;

9 (5) That the deed of trust has been recorded in each county in  
10 which the land or some part thereof is situated;

11 (6) That prior to the date of the notice of trustee's sale and  
12 continuing thereafter through the date of the trustee's sale, the  
13 trustee must maintain a street address in this state where personal  
14 service of process may be made, and the trustee must maintain a  
15 physical presence and have telephone service at such address;

16 (7)(a) That, for residential real property of up to four units,  
17 before the notice of trustee's sale is recorded, transmitted, or  
18 served, the trustee shall have proof that the beneficiary is the  
19 holder of any promissory note or other obligation secured by the deed  
20 of trust. A declaration by the beneficiary made under the penalty of  
21 perjury stating that the beneficiary is the holder of any promissory  
22 note or other obligation secured by the deed of trust shall be  
23 sufficient proof as required under this subsection.

24 (b) Unless the trustee has violated his or her duty under RCW  
25 61.24.010(4), the trustee is entitled to rely on the beneficiary's  
26 declaration as evidence of proof required under this subsection.

27 (c) This subsection (7) does not apply to association  
28 beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW;

29 (8) That at least 30 days before notice of sale shall be  
30 recorded, transmitted or served, written notice of default and, for  
31 residential real property of up to four units, the beneficiary  
32 declaration specified in subsection (7)(a) of this section shall be  
33 transmitted by the beneficiary or trustee to the borrower and grantor  
34 at their last known addresses by both first-class and either  
35 registered or certified mail, return receipt requested, and the  
36 beneficiary or trustee shall cause to be posted in a conspicuous  
37 place on the premises, a copy of the notice, or personally served on  
38 the borrower and grantor. This notice shall contain the following  
39 information:

- 1 (a) A description of the property which is then subject to the

- 15 (f) A statement showing the total of (d) and (e) of this  
16 subsection, designated clearly and conspicuously as the amount  
17 necessary to reinstate the note and deed of trust before the

- 19 (g) A statement that failure to cure the alleged default within  
20 30 days of the date of mailing of the notice, or if personally  
21 served, within 30 days of the date of personal service thereof, may  
22 lead to recordation, transmittal, and publication of a notice of  
23 sale, and that the property described in (a) of this subsection may  
24 be sold at public auction at a date no less than 120 days in the  
25 future, or no less than 150 days in the future if the borrower  
26 received a letter under RCW 61.24.031;
- 27 (h) A statement that the effect of the recordation, transmittal,  
28 and publication of a notice of sale will be to (i) increase the costs  
29 and fees and (ii) publicize the default and advertise the grantor's  
30 property for sale;
- 31 (i) A statement that the effect of the sale of the grantor's  
32 property by the trustee will be to deprive the grantor of all their  
33 interest in the property described in (a) of this subsection;
- 34 (j) A statement that the borrower, grantor, and any guarantor has  
35 recourse to the courts pursuant to RCW 61.24.130 to contest the  
36 alleged default on any proper ground;
- 37 (k) In the event the property secured by the deed of trust is  
38 residential real property of up to four units, a statement,  
39 prominently set out at the beginning of the notice, which shall state  
40 as follows:

1 the deed of trust and the name, address, and telephone number of a  
2 party acting as a servicer of the obligations secured by the deed of  
3 trust;

4 (m) For notices issued after June 30, 2018, on the top of the  
5 first page of the notice:

6 (i) The current beneficiary of the deed of trust;

7 (ii) The current mortgage servicer for the deed of trust; and

8 (iii) The current trustee for the deed of trust;

9 (9) That, for residential real property of up to four units,  
10 before the notice of the trustee's sale is recorded, transmitted, or  
11 served, the beneficiary has complied with RCW 61.24.031 and, if  
12 applicable, RCW 61.24.163;

13 (10) That, in the case where the borrower or grantor is known to  
14 the mortgage servicer or trustee to be deceased, the notice required  
15 under subsection (8) of this section must be sent to any spouse,  
16 child, or parent of the borrower or grantor known to the trustee or  
17 mortgage servicer, and to any owner of record of the property, at any  
18 address provided to the trustee or mortgage servicer, and to the  
19 property addressed to the heirs and devisees of the borrower.

20 (a) If the name or address of any spouse, child, or parent of  
21 such deceased borrower or grantor cannot be ascertained with use of  
22 reasonable diligence, the trustee must execute and record with the  
23 notice of sale a declaration attesting to the same.

24 (b) Reasonable diligence for the purposes of this subsection (10)  
25 means the trustee shall search in the county where the property is  
26 located, the public records and information for any obituary, will,  
27 death certificate, or case in probate within the county for the  
28 borrower and grantor;

29 (11) Upon written notice identifying the property address and the  
30 name of the borrower to the servicer or trustee by someone claiming  
31 to be a successor in interest to the borrower's or grantor's property  
32 rights, but who is not a party to the loan or promissory note or  
33 other obligation secured by the deed of trust, a trustee shall not  
34 record a notice of sale pursuant to RCW 61.24.040 until the trustee  
35 or mortgage servicer completes the following:

36 (a) Acknowledges the notice in writing and requests reasonable  
37 documentation of the death of the borrower or grantor from the  
38 claimant including, but not limited to, a death certificate or other  
39 written evidence of the death of the borrower or grantor. Other  
40 written evidence of the death of the borrower or grantor may include

1 an obituary, a published death notice, or documentation of an open  
2 probate action for the estate of the borrower or grantor. The  
3 claimant must be allowed 30 days from the date of this request to  
4 present this documentation. If the trustee or mortgage servicer has  
5 already obtained sufficient proof of the borrower's death, it may  
6 proceed by acknowledging the claimant's notice in writing and issuing  
7 a request under (b) of this subsection.

8 (b) If the mortgage servicer or trustee obtains or receives  
9 written documentation of the death of the borrower or grantor from  
10 the claimant, or otherwise independently confirms the death of the  
11 borrower or grantor, then the servicer or trustee must request in  
12 writing documentation from the claimant demonstrating the ownership  
13 interest of the claimant in the real property. A claimant has 60 days  
14 from the date of the request to present this documentation.  
15 Documentation demonstrating the ownership interest of the claimant in  
16 the real property includes, but is not limited to, one of the  
17 following:

18 (i) Excerpts of a trust document noting the claimant as a  
19 beneficiary of a trust with title to the real property;

20 (ii) A will of the borrower or grantor listing the claimant as an  
21 heir or devisee with respect to the real property;

22 (iii) A probate order or finding of heirship issued by any court  
23 documenting the claimant as an heir or devisee or awarding the real  
24 property to the claimant;

25 (iv) A recorded lack of probate affidavit signed by any heir  
26 listing the claimant as an heir of the borrower or grantor pursuant  
27 to the laws of intestacy;

28 (v) A deed, such as a personal representative's deed, trustee's  
29 deed issued on behalf of a trust, statutory warranty deed, transfer  
30 on death deed, or other deed, giving any ownership interest to the  
31 claimant resulting from the death of the borrower or grantor or  
32 executed by the borrower or grantor for estate planning purposes; and

33 (vi) Other proof documenting the claimant as an heir of the  
34 borrower or grantor pursuant to state rules of intestacy set forth in  
35 chapter 11.04 RCW.

36 (c) If the mortgage servicer or trustee receives written  
37 documentation demonstrating the ownership interest of the claimant  
38 prior to the expiration of the 60 days provided in (b) of this  
39 subsection, then the servicer or trustee must, within 20 days of  
40 receipt of proof of ownership interest, provide the claimant with, at

1 a minimum, the loan balance, interest rate and interest reset dates  
2 and amounts, balloon payments if any, prepayment penalties if any,  
3 the basis for the default, the monthly payment amount, reinstatement  
4 amounts or conditions, payoff amounts, and information on how and  
5 where payments should be made. The mortgage servicers shall also  
6 provide the claimant application materials and information, or a  
7 description of the process, necessary to request a loan assumption  
8 and modification.

9 (d) Upon receipt by the trustee or the mortgage servicer of the  
10 documentation establishing claimant's ownership interest in the real  
11 property, that claimant shall be deemed a "successor in interest" for  
12 the purposes of this section.

13 (e) There may be more than one successor in interest to the  
14 borrower's property rights. The trustee and mortgage servicer shall  
15 apply the provisions of this section to each successor in interest.  
16 In the case of multiple successors in interest, where one or more do  
17 not wish to assume the loan as coborrowers or coapplicants, a  
18 mortgage servicer may require any nonapplicant successor in interest  
19 to consent in writing to the application for loan assumption.

20 (f) The existence of a successor in interest under this section  
21 does not impose an affirmative duty on a mortgage servicer or alter  
22 any obligation the mortgage servicer has to provide a loan  
23 modification to the successor in interest. If a successor in interest  
24 assumes the loan, he or she may be required to otherwise qualify for  
25 available foreclosure prevention alternatives offered by the mortgage  
26 servicer.

27 (g) (c), (e), and (f) of this subsection (11) do not apply to  
28 association beneficiaries subject to chapter 64.32, 64.34, (~~(e)~~)  
29 64.38, or 64.90 RCW; and

30 (12) Nothing in this section shall prejudice the right of the  
31 mortgage servicer or beneficiary from discontinuing any foreclosure  
32 action initiated under the deed of trust act in favor of other  
33 allowed methods for pursuit of foreclosure of the security interest  
34 or deed of trust security interest.
